

Suggested Math Websites for First Grade

www.allmath.com

This site has flash cards and links to other sites for games, math humor, worksheets, math help and more

www.aplusmath.com

This site has basic facts flash cards and a game room, worksheets, multiplication table practice and more

www.mathfactcafe.com

This site has a pencil next to pre-made cards so kids can do the facts and have the computer check them. Kids can print them out and also put in their own numbers and make their own worksheets

www.funbrain.com

This site has easier to harder addition and subtraction computation and problem solving. It also has language and grammar skills activities

www.dositey.com/

This site is a lot of fun and is good for 2 digit addition with and without regrouping

www.24game.com

This site has math games using basic operations

www.coolmath4kids.com

This site has a wide range of topics and will give you step-by-step instructions

www.abc.net.au/countusin/games

Each game is designed to help kids understand basic concepts in math. This site has a variety of math games i.e. volume, length, halves, chance, numbers, time, sorting, subtraction, and addition. It is better for students of the primary grades

www.learningplanet.com

This site has games by grade level but with advertisement and subtraction. There are some free games

www.gamequarium.com

This site has math activities for K-6

www.setgame.com

This is a card game to build students' visual thinking and pattern skills in math. Commercial, but does have some great free puzzles

www.math.com

Good resource of how to do problems

www.mathcats.com/storyproblems.html

This is an interactive fun site

www.spikesgamezone.com

Lots of math games

www.funschool.com

This site has games, but also commercial advertising

www.figurethis.org

This site gives ideas for fun hands-on math activities. Good for upper grade

www.kidsites.com

List of sites for math as well as other subjects

www.timezattack.com

FREE home version for practicing multiplication facts (also new versions for division, addition, and subtraction!)

www.abcya.com

Loads of math games for K-5 as well as games for reading and language arts

www.aaamath.com www.rainforestmaths.com

www.mathgoodies.com www.thatquiz.com/

www.planetmath.com/activities/pmactivitiesall.html

www.superkids.com/aweb/tools/math
