

# PTA Membership & Directory Form

## To Opt-In or Opt-Out of the Directory – Your Choice

This form serves both to join the PTA (we do hope you will join us) and to identify what to include and exclude from both the public directory and the Teacher-only directory. If you don't specifically Opt-Out of some or all, then the school may provide us with general information which will be used in the directory. This is your only opportunity to control what goes into the directory.
