Student Agenda Book

Updated 6/21/12

As a whole-school initiative, our school has produced a student agenda book that is available for student purchase. This agenda book is not graded or used as a hall pass, but it is used by teachers to help your child track his/her assignments and to let you know of assignments that are due. While this is a voluntary purchase, we strongly believe a student agenda book is a valuable organizational tool to help you and your child monitor completion of assigned tasks. If you do not want your child to purchase the school's agenda book, please provide a tool your child can use for the same purpose.

We are committed to providing all students, regardless of their economic circumstances, with full access to the instructional program. If you need assistance for any requested expense, or with providing the organizational tools and personal supplies, please contact your child's teacher, counselor, assistant principal, or principal.
