Respectful, Responsible, and Safe: This week's

highlights: Thank you for your extra support this week. Please talk with your students about the upcoming safety drills that we already had planned to practice, and others we will practice again including

- Evacuation
- Reverse Evacuation
- Fire Drills
- Shelter in place (maybe a storm in the area)
- Lockdown (maybe police activity in the neighborhood.
- Earthquake

It is important to practice these scenarios so that we can be calm and act quickly and safely if we ever need to. Please let me know if you have any questions about our safety practices.
