

# Preschool Education Program

## Nature All Around Us (April 2019)

By: Katie Weddle | [Catherine.R.Weddle@mcpsmd.net](mailto:Catherine.R.Weddle@mcpsmd.net) | 301.649.8051

**Big Ideas:** I can plant a seed and watch how it grows. I see how the sky is different during the day and at night. The weather affects what I wear and do each day. I notice how the seasons change.

**Related Vocabulary:** plant, root, seeds, moon, sky, sun, stars, clouds, sunny, weather, rainy, windy, measure, temperature, thermometer, seasons, spring, summer, fall, winter, pattern, repeat

### Books:

Growing Vegetable Soup

Counting in the Garden

Little Cloud

ABC I Like Me!

How Does Your Salad Grow?

The Apple Pie Tree

What Will the Weather Be Like Today?

What Makes the Seasons?

### Activities:

We will plant seeds and watch how them grow and change.

We will learn about the four seasons.

We will practice counting, making sets, and identifying numbers.

We will practice identifying letter sounds and the beginning sounds of words.

### Things to do at home:

Talk about the different plants you see outside. Observe how they grow and change and how the plants are different. Which ones have flowers? What colors are the flowers? Are the plants big, small, short, tall?

### Notes/Reminders:

Our classroom is in need of some supplies! Sanitizing wipes, hand sanitizer, and hand soap would all be greatly appreciated! Thank you ☺

**Spring Break is coming up! No school April 17-22**

### Specialists/Therapists:

	Monday	Tuesday	Wednesday	Thursday	Friday
AM	9:40-10:05 Music Mr. Washington	Speech	9:40-10:05 Art Ms. Bowen	9:40-10:05 PE Mr. Hatcher	

**Speech:** Ms. Jenna Poland

**Occupational Therapy (O.T.):** Ms. Khadijah Johnson

**Physical Therapy (P.T.):** Ms. Tina Sito
