

NOVEMBER NEWS

third grade

A note from the teachers

The book fair is almost here! Please see the website linked [here](#) for general information and details on an eWallet.

Don't forget to check your child's folder each evening for math, reading, and spelling homework.

Reminders

Don't forget to **sign up** for Parent Teacher Conferences! If you need to reschedule, please contact your child's teacher.

Please remember to contact your student's teacher or call the main office at (240)-740-0800 for any dismissal changes. And call the office when your student will be absent. Thank you.

Ms. Gabrielle Young: gabrielle_l_young@mcpsmd.org

Math Focus

We are wrapping up Module 2 where students will explore measurement using units of kilograms, grams, liters, milliliters, and intervals of time in minutes. Then we will begin Module 3, which builds directly on students' work with multiplication and division in Module 1. Module 3 extends the study of factors from 2, 3, 4, 5, and 10 to include all units from 0 to 10, as well as multiples of 10 within 100.

See below for parent tip sheets.

Reading and Writing Focus

We will be finishing up Unit 3 where we are learning about the skeletal, muscular, and nervous systems that make up our bodies.

We have further explored the senses of sight and hearing and how our eyes and ears work. We will also write about one of the body systems they have studied in this unit.

We will also be starting Unit 4 this month. Students will learn about Roman geography and history, government, major leaders, and monumental battles. They will also study the rise and decline of the Roman Empire. Students will be introduced to a writing portfolio, which they will reference as they collaborate, share ideas, and give feedback on their writing.

Science and Social Studies Focus

We will be doing Social Studies during the month of November. Students will use social studies literacy and thinking skills to explore what it means to live and be involved in a democracy. They will answer the unit question: How can we make a difference in our community? More specifically, they will look at what a democracy looks like in the U.S., what virtues are important for living together in a democracy, and how they can contribute to their community.

School Update

Come visit Jackson Road's Family Market!

We offer fresh produce and dry goods to members of the Jackson Road community, free of charge. Please bring your own bags!

Dates: October 7th, November 4th, December 2nd, January 6th, February 3rd, March 3rd, April 7th, May 5th, and June 2nd
