## LEARNING FOCUS

**Math-** We will be completing Module 3 of Eureka Math with topics F, G, and H. Students will be identifying and creating a set of more, less and equal amounts, as well as, comparing sets and numerals. We will compare numerals using materials and answering questions such as, "Which set has more cubes?" and "Which set has fewer objects?" We will emphasize using units to show the comparison. They will be using language such as, **more/less than**.

## ANNOUNCEMENTS

Please be sure to check your child's green folder and Parent Square to stay updated on important dates and information on your child's learning. As of January, Remind App will no longer be used.

## LEARNING FOCUS continued

### Language Arts-

In January we will continue to study Farms, learning about different crops, the seasons of farming, and how food goes to market. We will also begin our unit on Native Americans at the end of January! We are continuing to make our way through the alphabet, conquering sounds as we become master readers and writers!

**Health-** At the end of January, we learn about safety and injury prevention, including how to get help in an emergency.

**Science-** Students finish analyzing weather to answer the question, "Does our weather stay the same or change?" They learn how to stay safe in severe weather.
