Reminders

- ❑ Parent-teacher conferences are on Nov 24th & Nov 25th. Some kindergarten teachers are using a digital link to sign up for conferences. Please contact your child's teacher if you have not signed up for a date and time.
- ❑ Arrival is from 8:40-9:00am. If your child is arriving after the 9:00am bell, they are late. PLEASE help your child start the day ON TIME.
- ❑ As weather gets colder, please make sure your student's clothing is labeled with their name.
- ❑ If your student is celebrating a birthday, items should be store purchased and no candy, including goodie bags.
- ❑ Anti-Bullying Assembly 11/14 @ 9:15 AM

Learning Focus

Math: We will be starting a new module in math! Module 2 is our introduction to shapes! We will learn about 2D (flat shapes) and 3D (solid shapes), as well as, positional words. This module is 12 days. We will then move into Module 3. In this module students will learn about length, weight and volume! You can look for your student to show knowledge of comparing things that are longer/shorter, heavy/light, and more/less.

Learning Focus Continued

Language Arts : CKLA- (Core Knowledge Language Arts)

This month with Skills unit 4, we continue with phonics skills, writing and reading. Students will begin to make connections between sounds and symbols. By the end of the month we will have taught the sounds and symbols: /m/ /a/ /t/ /d/ /o/ /g/ /n/ /h/ /s/ /f/ /v/ /z/ /p/ /e/ and /k/ spelled 'c'. We focus on the sounds first, not the names of the letters. They will continue to blend these sounds into words. Students will learn new "tricky words" which can't be sounded out, including: *one*, *two*, *three*, *a*, and *the*. We finish the Knowledge 3 domain, which introduced students to classic stories and folk tales. By listening carefully to and discussing the stories the students will acquire an understanding of the elements of a story including characters, plot, and setting. This instruction will help the students develop an awareness of language to help them become better writers and readers. We start the Knowledge 4 domain learning about plants, including their parts, what they need to live and grow, and life cycles. Please continue to do the activities that are sent home with your young scholars as often as possible. Please check & empty folders daily!

Health & Social Studies:

Health: The focus of content will be on personal health, including why it is important to keep your body clean and how we keep our body clean, including proper handwashing.

Social Studies : During marking period 2, we learn about the topic of geography. We will learn about the importance of maps and globes. We will learn how to identify and describe various landforms ,such as hills, mountains, plains and bodies of water, such as streams, lakes and oceans.
