Learning Focus

Math: Complete Unit 2 & start Unit 3 "Flat Shapes all around us" this month!
Unit at a Glance
Sub-Unit 1: Exploring Shapes in Our Community
(Lessons 1-11)
*Describe, sort and compare two dimensional shapes.
*Identify squares, circles, triangles, rectangles, & hexagons.
*Draw and build two dimensional shapes
Sub Unit 2: Putting Shapes Together (Lessons 12-16)
*Compare simple shapes to form larger shapes.
* Describe the location of shapes using positional words.

Learning Focus Continued

Language Arts: CKLA (Core Knowledge Language Arts)

Domain 2 ending & Domain 3 Beginning!

In this domain, students are introduced to classic stories as well as trickster tales and folktales from other cultures. Students will develop an awareness of of language and understanding that fictional tales can teach valuable lessons. They will learn to identify the role of the author & illustrator, and practice orally generating complete sentences. Students will use a combination of writing and drawing to share events of a story.

Overall Learning Outcomes:

*Demonstrate understanding of key vocabulary.

*Sequence the beginning, middle and end of a story.

*Compare and contrast characters from different stories.

CKLA Skills: We will begin Unit 4.

Overall Learning Outcomes:

Orally blend & segment sounds in words. Blend & read printed VC and CVC words. And learn Sight/Tricky words.

Health & Social Studies:

Health: The focus will personal hygiene & handwashing.

Social Studies: During marking period 2, students will learn geography. The importance of maps and globes. They will also explore & learn about landforms and bodies of water.
