November 27: NO SCHOOL

Reminders

- **Labels:** Please clearly label all coats, hats, gloves, and water bottles with your child's full name.
- **Extra Clothes Swap:** Please send a set of cold-weather clothes in a labeled bag. We will send home any previous extra clothing.
- **Communications:** Check folders daily and keep an eye on **ParentSquare** for important news and upcoming dates.

Math Corner: Exploring Flat Shapes! 🟦🔺🔴

This month in our *Amplify Desmos Math* curriculum, our PreK mathematicians are jumping into **Unit 2: Exploring Flat Shapes** ! Students are investigating two-dimensional shapes by identifying, describing, sorting, and constructing them based on their attributes (like sides and corners). They are also practicing spatial vocabulary by using positional words (over, under, next to, inside) to describe where shapes are located around them.

- **Try this at home:** Go on a "Shape Hunt" with your child! Look for flat shapes around the house or outdoors—ask your child to describe what they see (e.g., *"This window has four straight sides!"* or *"This plate is round with no sharp corners!"*).

CKLA Reading

Your child probably already likes to talk about his/her family. At school, we will be learning all about families and how they love us and help us grow and change! We will learn all kinds of words to describe families. We will also be talking about what words are, practicing rhyming, drawing and painting, and playing musical instruments.

Pre-Writing Strokes for Letter Formation

Up, and around

Touch, pull down

Touch, push over

🎵 Rhyme Time Fun

Nursery rhymes help children explore language rhythm and sounds! This month, we're enjoying classics like "Rain, Rain Go Away" and "Five Little Ducks." Practice rhyming words like away, day, and play together at home.

Family Chat: Share and sing your favorite childhood nursery rhyme with your child!

🖍️ Little Hands, Big Progress!

Support your child's fine-motor skills at home with these simple drawing activities:

Family Portraits: Draw pictures of your family using thick markers or crayons.

My Day, My Story: Draw favorite daily routine moments to create a mini schedule.
