

LAKWOOD STEAM NIGHT

Friday April 26th, 2024 – 6pm to 8pm, Lakewood Cafeteria

You are invited to participate in our annual Lakewood STEAM Night! The fair includes topics related to **Science, Technology, Engineering, Arts** and **Mathematics** and is a great way to get students (and parent volunteers) excited about the **scientific process** and thinking like **young scientists and artists**. This science and arts fair is **non-competitive** and encourages each child to participate, learn and have fun! All students are invited to design a science fair project that uses the **scientific method** or the **engineering process diagram** to solve a problem or an arts project to showcase their talent. Students may work on a project individually, with a small group, or with their family. Please email lakewoodsciencefair@gmail.com if you have questions.

1. Help your child select a project idea.
2. Fill out and complete the **student registration form** located at:
<https://forms.gle/rpgXW3B1mD2ENExo6>
no later than **Monday April 15th, 2024**.
3. Work with your child as he/she conducts research, investigation, experiment and observations.
4. Prepare a Tri-Fold Poster Board if it is a science project based on the experiment conducted.
5. Bring the project and poster board to **Lakewood STEAM night on Friday April 26th, 2024** by 5:45 PM
6. Consider volunteering your time as a mentor or volunteer Sign up forms located at:
<https://www.signupgenius.com/go/10C0848ACAC2CA2FAC70-48823431-2024#/>
7. If you are interested in judging the show and encouraging the kids please enter that in the volunteer form.
8. There is a science show from 7:00-7:45 PM. You are welcome to join even if you are not participating in the projects.
