Math

June 2008

Dear Families,

At McAuliffe Elementary we would like every child to complete some of this math packet during the summer break. You, the parent, can decide how much of the packet is appropriate for your child to complete.

This math packet contains activities to help your child review math concepts learned this year. Your child may complete the activities independently or with your assistance.

Students who return the math review packet during the first week back to school will be recognized for this accomplishment.

One goal of McAuliffe is to promote increased math performance at all grade levels. Completing the summer review packet allows the school, students and parents to work together to achieve this goal. For additional math practice, please visit the links from our school website at:

<http://www.mcps.k12.md.us/schools/mcauliffees>

Student Responsibilities:

- ❑ Work on the summer math packet
- ❑ Review math skills throughout the summer
- ❑ Return the packet to school during the first week back

Parent Responsibilities:

- ❑ Monitor student work in the math packet
- ❑ Encourage student use of math concepts throughout the summer
- ❑ Ensure the return of the math packet during the first week back to school

This summer math booklet was compiled by
Dr. Brenda H. Hammond
Page Elementary School, 2000.

Final Review

An additional Elementary we would like to say is that we have been very pleased with the quality of the work that you have done. We are very proud of you and your class. We hope you will continue to work hard and achieve great things.

The final review consists of a series of questions that you will need to answer. We have provided you with a list of questions to help you prepare. We hope you will find this helpful.

We hope you will find this review helpful. We have provided you with a list of questions to help you prepare. We hope you will find this helpful.

The goal of this review is to ensure that you are prepared for the final exam. We have provided you with a list of questions to help you prepare. We hope you will find this helpful.

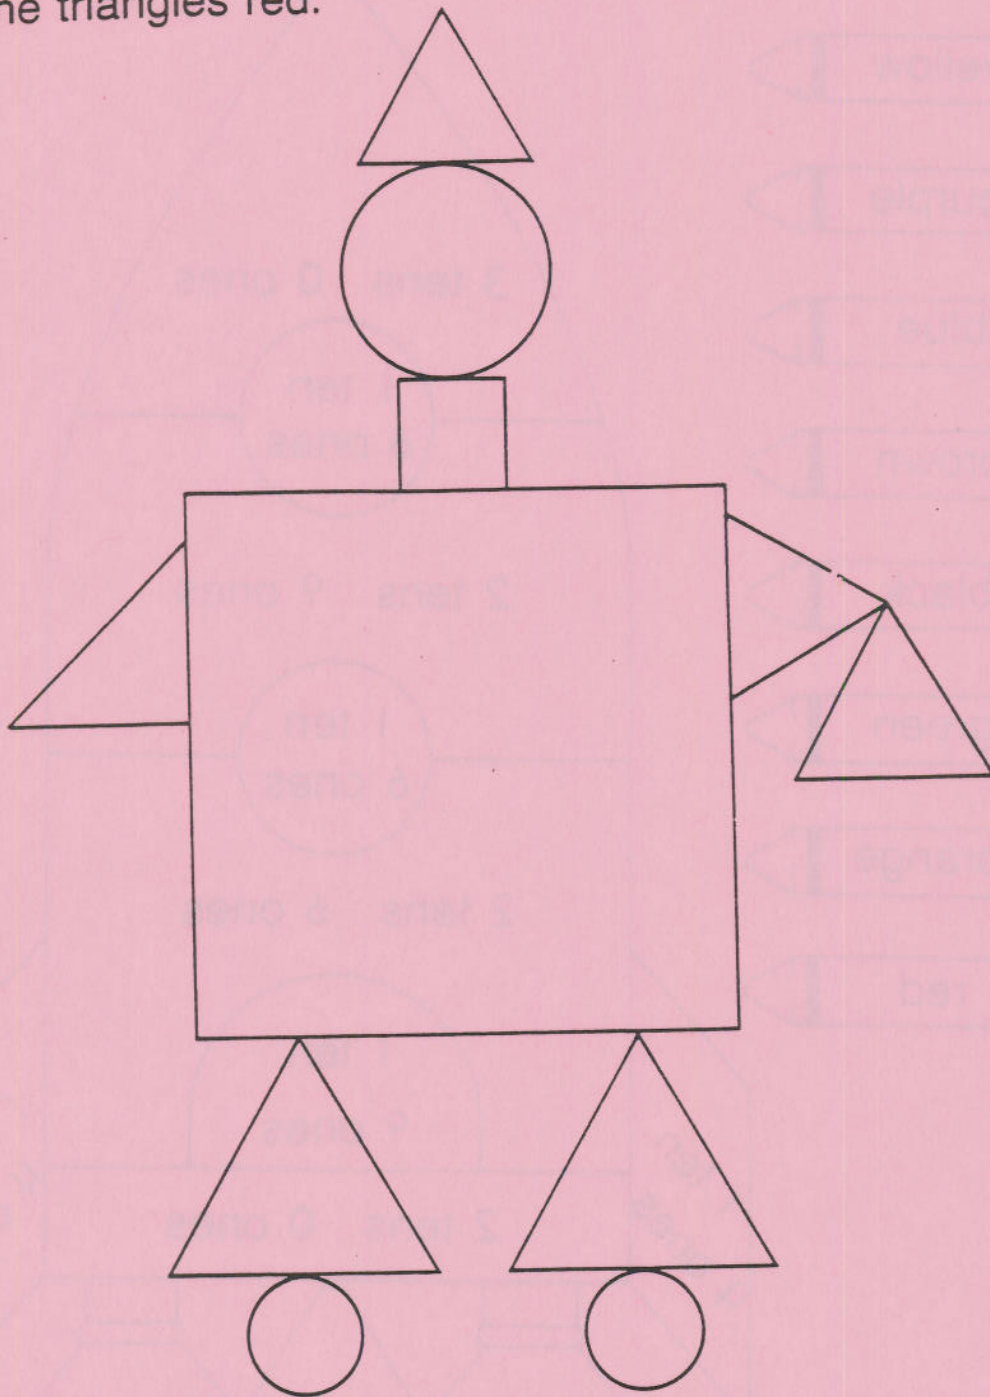

Final Review Questions

1. What is the main purpose of the review?
2. What are the main topics covered in the review?
3. What are the main topics covered in the review?

Final Review Questions

4. What are the main topics covered in the review?
5. What are the main topics covered in the review?
6. What are the main topics covered in the review?
7. What are the main topics covered in the review?
8. What are the main topics covered in the review?
9. What are the main topics covered in the review?
10. What are the main topics covered in the review?

Color the squares yellow.
Color the circles blue.
Color the triangles red.

Making a graph

Have your child do the following:

- Interview 5 people — they could be family, friends, or neighbors — and ask:
What is your favorite food? The choices are pizza, chicken, cheeseburger, or hot dog.
- Have your child draw a  in the correct column for each person's answer, starting at the bottom of the column.

PIZZA	CHICKEN	CHEESEBURGER	HOT DOG

Which was the favorite food?

Which was the least favorite food?

Which is your favorite food?

Show someone in your family 25¢. Draw the coins below.

Show someone in your family 35¢. Draw the coins below.

Show someone in your family 19¢. Draw the coins below.

Show someone in your family 30¢. Draw the coins below.

$$\begin{array}{r} 1 \\ + 1 \\ \hline \end{array}$$

$$\begin{array}{r} 6 \\ + 6 \\ \hline \end{array}$$

$$\begin{array}{r} 2 \\ + 2 \\ \hline \end{array}$$

$$\begin{array}{r} 7 \\ + 7 \\ \hline \end{array}$$

$$\begin{array}{r} 3 \\ + 3 \\ \hline \end{array}$$

$$\begin{array}{r} 8 \\ + 8 \\ \hline \end{array}$$

$$\begin{array}{r} 4 \\ + 4 \\ \hline \end{array}$$

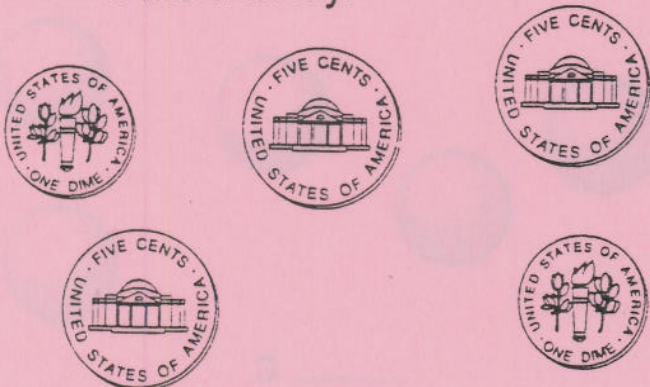

$$\begin{array}{r} 9 \\ + 9 \\ \hline \end{array}$$

$$\begin{array}{r} 5 \\ + 5 \\ \hline \end{array}$$

$$\begin{array}{r} 10 \\ + 10 \\ \hline \end{array}$$

Set 1

Count the money.

_____ ¢

Add

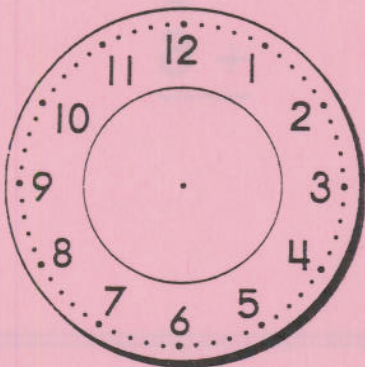

$$\begin{array}{r} 7 \\ + 7 \\ \hline \end{array}$$

$$\begin{array}{r} 2 \\ + 8 \\ \hline \end{array}$$

$$\begin{array}{r} 9 \\ + 0 \\ \hline \end{array}$$

Set 2

Draw hands on the clock to show 8 o'clock.

Renaldo has 5 crayons in his desk and 3 crayons in his hand. How many crayons does he have?

_____ crayons

Set 3

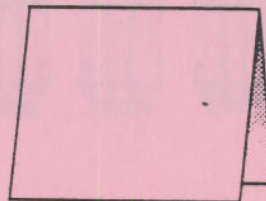

Count by ones.

23, 24, 25, _____

47, 48, 49, _____

Who am I?

If you add 2 to me, you get 10.

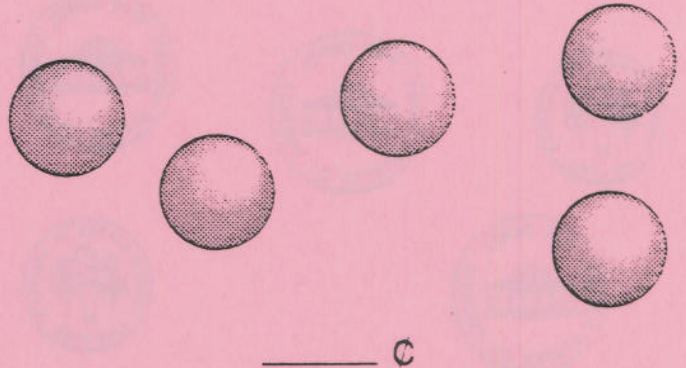

Set 4

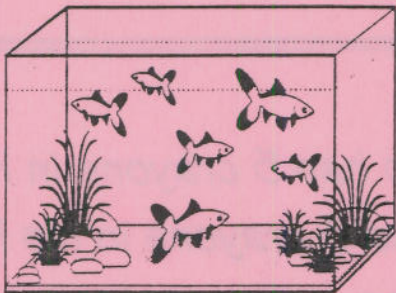

Color the coins to show 16¢.

These marbles cost 10¢ each.
What is the total cost?

Set 5

Cover up 2 fish.
How many are left?

$$6 - 2 = \underline{\quad}$$

Add

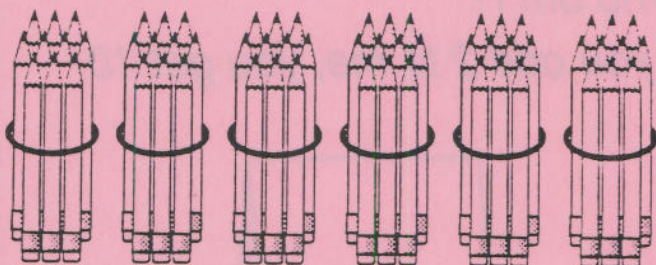

$$\begin{array}{r} 9 \\ + 2 \\ \hline \end{array}$$

$$\begin{array}{r} 6 \\ + 6 \\ \hline \end{array}$$

$$\begin{array}{r} 9 \\ + 9 \\ \hline \end{array}$$

Set 6

Use the picture to help you add.

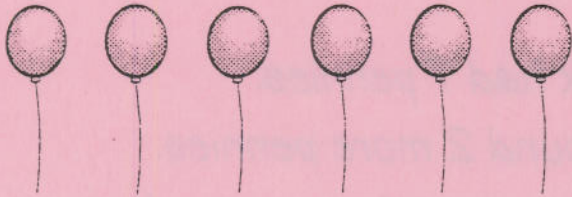

$$30 + 20 = \underline{\quad}$$

Two children want to share
10 cookies.
How many should each one get?

_____ cookies

Set 4

There are 6 balloons. Make a **X** to show that one balloon popped. How many are left?

6 - 1 = 5

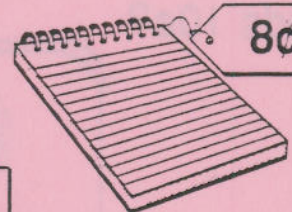

Circle the things you could buy if you want to spend 12¢.

1¢

3¢

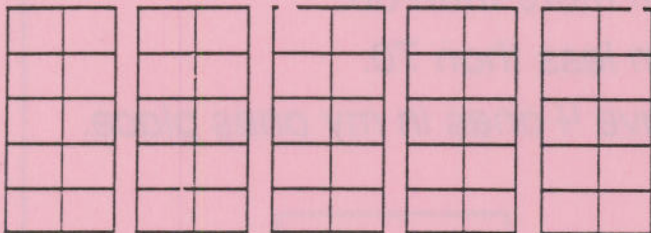

8¢

9¢

Set 5

Use the picture to help you add.

$10 + 30 =$ 40

Add

$$\begin{array}{r} 9 \\ + 9 \\ \hline \end{array}$$

$$\begin{array}{r} 8 \\ + 3 \\ \hline \end{array}$$

$$\begin{array}{r} 6 \\ + 6 \\ \hline \end{array}$$

Set 6

Luis chose playing outside.
Was his choice the most popular?

Yes No

How many chose
playing outside? 5

watching TV? 4

Favorite After School Activity

Eat

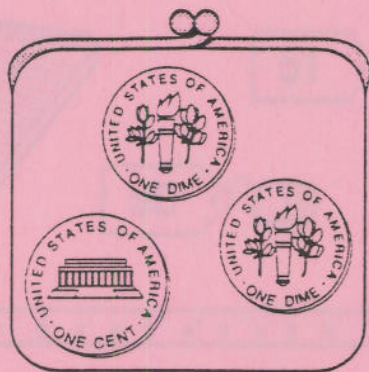

Play Outside

Watch TV

Read a Book

Set 4

Carlos has this much money.
How much will he have left if he
spends 10¢?

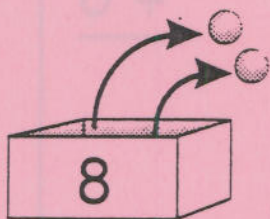

_____ ¢

Frank had 7 pennies.
He found 2 more pennies.
Then he gave 1 penny to Joan.
How many pennies does he
have now?

_____ pennies

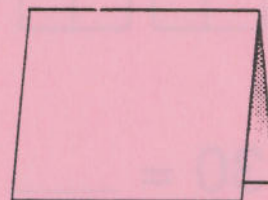

Set 5

There were 8 marbles in the box.
Letitia took out 2 marbles.
How many marbles are left in
the box?

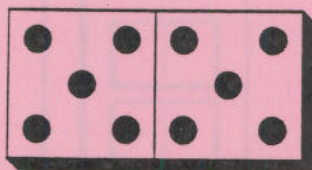

_____ marbles

Who am I?
I am more than 60.
I am less than 70.
I have 4 ones in my ones place.

Set 6

Add. Use the picture to help you.

$$5 + 5 = \underline{\quad}$$

$$5 + 6 = \underline{\quad}$$

$$6 + 5 = \underline{\quad}$$

Subtract

$$\begin{array}{r} 6 \\ - 1 \\ \hline \end{array}$$

$$\begin{array}{r} 4 \\ - 1 \\ \hline \end{array}$$

$$\begin{array}{r} 8 \\ - 1 \\ \hline \end{array}$$
