

Getting Ready for First and Second Grade!

The best thing you can do to get ready for First grade is to read over the summer. Reading will help you remember all the things you learned in Kindergarten and First Grade.

You should read every night for twenty minutes.

This summer the goal for you is to read at least 40 days for twenty minutes. After you read a book, have an adult initial in the calendar that you read on that day. Then, you choose 4 of the books you read and write at least 2 sentences about them and draw a picture of your favorite part. Make sure to write the title of the book on the paper.

If you turn in a reading log during your first week of school that has 30 initials from parents and 4 books with sentences and pictures you will have earned recognition and a certificate.

Turn in your reading log, sentences and pictures to the Reading Specialist during the first week of school.
