

**Compromise-** What steps, actions, or events helped to bring about a change?

**Resolution-**How has this movement made life better for individuals today? Do you have a personal connection to this movement? Tell about it.

Remember to cite your sources for this project.

If you finish your work, get a blank white piece of paper. Draw and color a picture that represents the movement you studied. Be sure to give the picture a title. We can scan this picture to include in your Power point if you would like.
