

Fifth Grade Newsletter

Marking Period 2

November 2015-January 2016

Dear RT Families,

This quarter we will have our Pie Fundraiser, which last year raised thousands of dollars to lower the cost of the Philadelphia Trip for all students. We look forward to more success this year. Look for information to come home.

Students will take the GeoBowl quiz and the teams will be launched. Each class will be supporting their team as they practice for the Bowl in February.

Parent Volunteer Opportunities

- **Field trip chaperones** – We always welcome parents as chaperones on our trips. Please contact your child's homeroom teacher.
- **Fundraising for the Philadelphia trip** – We have had a very successful parent-led pie sale fundraiser in the fall. Diana Combs has set up a system and made it easy for her successors to take on this important task. Please contact Mr. Speaker.
- **Philadelphia chaperones** – We spend the whole day (very early to quite late) and have LOTS OF FUN in Philadelphia in the spring. We'll have more information later this year. Please contact Ms. Friesen.
- **Promotion Ceremony Committee** – In June we celebrate the transition from elementary to middle school. The parent committee arranges the decorations and the slide show. Please contact Mrs. Vas.
