## WHAT'S HAPPENING IN MEDIA

Welcome back to another exciting school year! We are thrilled to welcome your children back to the Media Center, where a world of discovery awaits. This quarter, our focus is on getting everyone acquainted with the library and all it has to offer. We will kick things off with an introduction to the library, ensuring students feel comfortable navigating our shelves and resources. Our sessions will also cover important library rules to ensure a respectful and enjoyable environment for all. Students will learn the ins and outs of book checkout and the essentials of book care, fostering responsibility and a love for reading. In addition, we'll discuss proper Chromebook care and use, vital skills in today's digital world. Finally, we encourage young readers to share their enthusiasm by creating book recommendations and asking us to consider purchasing books they want for the Media Center, helping us build a library that reflects their interests. We are looking forward to a fantastic year of learning and exploration!
