

Good evening Rosemont Families,

We hope you had an enjoyable weekend. This week's **RES Community Connection** features five important messages.

Virtual Back to School Night

Please join us, virtually, on **Tuesday, September 15** for K-5 Back-to-School Night! During this time, you will have a chance to hear from administration and your child's teacher about their instructional program. Back to School Night times are listed below. As a reminder, you must use your child's MCPSMD .net login and password to enter a Zoom meeting.

Time	Presentations	Zoom ID and Password
5:00 – 5:30	Instrumental Music for Grades 4 and 5 students not enrolled in Band	ID: 920 7281 0195 Password: special
5:00 – 6:00	Grades K – 2	Your child's homeroom Zoom information
5:30 – 6:30	Art, Music, PE and Media for all Grades	ID: 920 7281 0195 Password: special
6:00 – 7:00	Grades 3 – 5	Your child's homeroom Zoom information

Attendance

Attendance and engagement are critical to your child's success. If your child is unable to attend a live Zoom session they have 72 hours to view the recorded lesson and complete the assignments. Once a child completes the lesson, parents should fill-out the Live Virtual Lesson Absence Form, located on the left side of the school website and your child will be marked 'present'. If you have any questions, please ask your child's homeroom teacher.

Lunch Applications

A free/reduced lunch application for the current school year is now online at www.myschoolapps.com/Application and can be found on the school website under Parent Resources. It is not necessary to complete a form for each child, so please be sure all your children are included on the form. The application you completed last year is only valid until October.

Materials Distribution

If your child has not picked up their Fall instructional materials or still needs a chromebook please call the school at 301-840-7123 or email Ms. Melara at Karen_M_Melara@mcpsmd.org to schedule a pickup time.

Technology Support

If you or your child is experiencing technology issues please visit the Rosemont Technology site. The site has videos and instructions in English and Spanish. Also, you may call the MCPS Community Technology line at 240-740-7020 between 7 a.m. and 8 p.m. Monday through Friday, or email communitytechsupport@mcpsmd.org.

As a reminder, please follow our school on twitter [@RosemontElem](https://twitter.com/RosemontElem) to receive virtual tips and tricks and updates and to see our students and staff engage in fun learning! This concludes the weekly Rosemont Community Connection. Thank you and have a good evening.
