In need of Holiday Help? The Holiday Giving Project (HGP) has provided Thanksgiving and December holiday assistance to low-income households for over 30 years. Local non-profits, faith-based organizations and public agencies make it possible. If you and your family are in need and would like to be referred please request a form from the school. Please note completing the form does not guarantee assistance will be provided.

Fall Festival- October 31

This year students will celebrate fall in their classrooms on Tuesday, October 31. Please contact your child's classroom teacher if you are interested in providing individually wrapped snacks that are store-bought and peanut-free for the celebration. Volunteers welcome!

Marking Period 1 Interims

Marking Period 1 interims are now available via ParentVue. Please take time to review your students' mid-quarter progress and make goals for the remainder of the marking period. You will be able access the interims in the Documents area of ParentVUE. If you do not have a ParentVUE account, MCPS will mail interims to the address on file.

Title I Updates

Our school is fortunate to receive supplemental funding through Title I, a federal grant program for schools that serve communities with students who have high economic needs. The federal legislation that establishes Title I regulations is known as the Every Student Succeeds Act of 2015 (ESSA). ESSA requires Montgomery County Public Schools to inform you that you have the right to request information about the professional certification qualifications of your child's teacher, long-term substitute teacher, or paraeducator (formerly titled instructional assistant). If you wish to request certification information about your child's teacher, paraeducator, or long-term substitute teacher, please submit a written request to the principal at your school. Your written inquiry may include information about the following qualifications:

- Degree status and subject area of certification.
- State of Maryland certification status, including conditional certification status.
- Qualifications of paraeducators or long-term substitute teachers who may be working with your student.

Your request will be forwarded to Department of Human Capital Management and you will receive a written response from that office within thirty (30) business days. Please contact Dr. Cooke if you have any questions.

This concludes the weekly Rosemont Community Connection. Thank you and have a nice evening.
