## **COVID Updates**

The health and safety of our students and staff remain a top priority. Although COVID-19 is still with us, Rosemont intends to carry out its continued commitment to deliver safe in-person instruction, for all of our students. We are asking that you please continue to screen your children at home and if they have even one symptom of COVID-19, or are awaiting COVID test results, please do not send them to school. Please be reminded that a positive individual MUST isolate for 5 days. If your student tests positive, please use the following form to report students COVID positive cases and inform the school as soon as possible.
