

“Whatever It Takes”

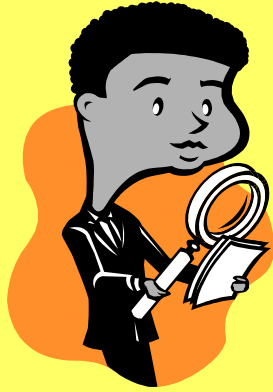

The Sargent Shriver Elementary School Song

Lyrics and Music by Danielle Sultan

Chorus

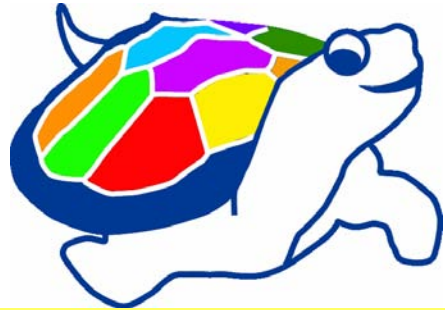

*Whatever it takes, we'll all learn together.
Whatever it takes, we all will achieve.
With total respect, we'll all work together.
At Sargent Shriver, we've got what it takes.*

Verse 1

In reading, we learn to uncover the message.
Enriching vocabulary, down to the core.
In math, there is no problem that stumps us.
Thinking, solutions, we always want more.

Chorus

*Whatever it takes, we'll all learn together.
Whatever it takes, we all will achieve.
With total respect, we'll all work together.
At Sargent Shriver, we've got what it takes.*

Verse 2

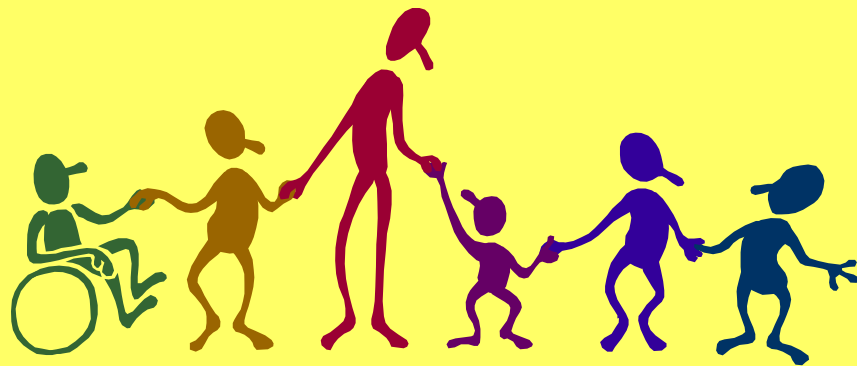

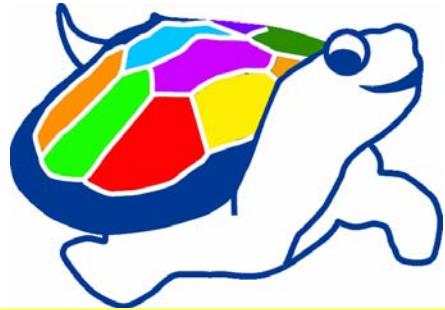

Cultural diversity is our connection.

To all of our families, we open our doors.

We all believe that we can make it
together.

Focused, determined, we always will soar.

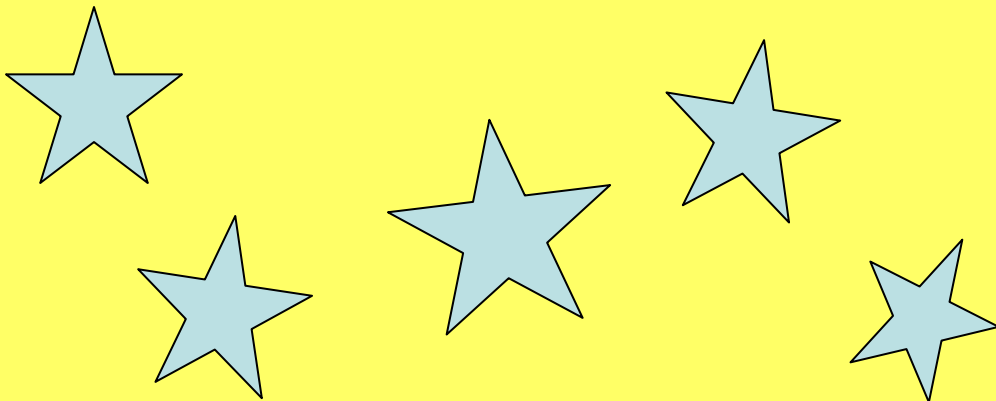

Chorus

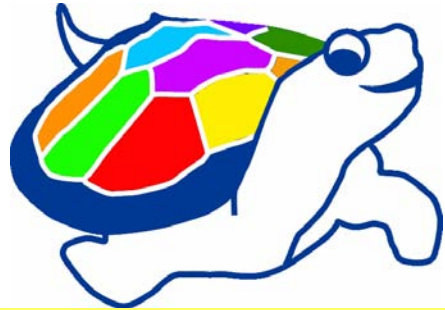

*Whatever it takes, we'll all learn together.
Whatever it takes, we all will achieve.
With total respect, we'll all work together.
At Sargent Shriver, we've got what it takes.*

Verse 3

The Terrapin is our school mascot.
Perseverance, that's for sure.
With effort and goal setting,
There's nothing to stop us.
At Sargent Shriver, we always will soar.

Chorus

Whatever it takes, we'll all learn together.

Whatever it takes, we all will achieve.

With total respect, we'll all work together.

At Sargent Shriver, we've got what it takes.

At Sargent Shriver, we've got what it takes.

At Sargent Shriver, we've got what it takes.
