ABSENCES & TARDIES

Daily, consistent attendance at school is essential to academic success. **We urge students and parents to make school a priority and schedule vacations around the [school calendar](#). Please be especially mindful of the state and county testing schedule.** If your child is ill or otherwise unable to attend school, he or she is **required** to bring a note from you explaining the reason for the absence. If your child is going to be absent, please call Ms. Runkles, the attendance secretary, to let her know about the absence as soon as possible. Ms. Runkles will frequently call home to check on a student's absence if you have not notified us. Children who attend school are expected to be well enough to participate in all activities, including outdoor recess. If your child is absent, you will receive an automated call informing you of the absence. If you believe this is an error, please call Ms. Runkles the following school day.

Children should always be on time for school. Students who arrive after 9:25 a.m. are expected to sign in at the office with their parents or guardians present. Tardiness, on a regular basis, is disruptive and detrimental to your child's success.

ARRIVAL PROCEDURES

1. Students are permitted to enter the building at 9:10 a.m. **Students should not arrive prior to that time** as supervision will not be available.
2. All students should enter the building through the front doors. **Students will proceed directly to their classrooms.**
3. **Parents/Caregivers of walkers** will drop their children off in the front of the building; parents will not be permitted to accompany their children to their classrooms. During the first few days of school there will be additional staff members at the front door and in the halls assisting students with finding their classrooms.
4. **Parents/caregivers of car riders** will follow staff direction to the car rider lane. Staff members will greet students and help them exit their cars. Parents/Caregivers will remain in their cars during drop off and pick up. **Due to safety and traffic concerns we ask that you please refrain from parking and walking your child to the front door**
5. Kindergarten students will follow the procedures outlined above; parents will not be permitted to walk students to class. There will be extra adults on hand to help students find their way. Parents are also asked to refrain from walking down to their child's class during arrival time to have a conversation with the teacher.

BIRTHDAYS

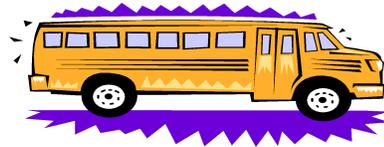

Due to curricular and time management demands, classroom birthday celebrations will not be permitted to occur during school hours. Student birthdays are recognized during our morning announcements. **Please also note that private birthday party invitations are not to be given out at school.** Thank you for your cooperation.

BREAKFAST

Stedwick will once again be participating in the Maryland Meals for Achievement (MMFA) program. All students will receive breakfast, free of charge, every morning. Students will eat in their classrooms. Our kitchen staff is aware of all dietary restrictions and student food allergies. All meals are nut free. If your child has food allergies, please be sure that information is updated in his/her health information.

BUS SCHEDULES

Links to bus routes and schedules can be found on the school website. As always, we urge you to arrange for younger children to be accompanied by an adult to and from the bus stop. It is also highly advisable that you pin or hang a card on your young child, indicating his/her name, address, telephone number, bus route color, and bus stop for the first few weeks of school. Young children frequently forget their bus color and often do not know their addresses, especially if they become apprehensive. Bus drivers do not have this information. Students may not ride buses other than the bus to which they are assigned.

<https://www2.montgomeryschoolsmd.org/schools/stedwickes/>

IMPORTANT-PLEASE NOTE: A number of our students will be riding one bus TO school (a.m.) and a different FROM school (p.m.). Please look at the bus schedules carefully and call us if you have any questions.

CANDY DURING SCHOOL HOURS

Since we know that good nutrition is an important component of an effective learning environment, candy will not be permitted in school during the day. This includes recess, snack time and during lunch.

CELL PHONES, TOYS and ELECTRONIC DEVICES

According to MCPS policy and regulations, **students are not permitted to bring or use a cellular phone at school without permission from the principal.** Parents who believe that their child requires a phone at school must

submit their request in writing to Ms. Zolkower. You may obtain a request form from the main office. The request should state the reason the child requires a cell phone. If permission is granted, the phone must be off during the instructional day and can only be used during non-school hours. Unauthorized cell phone use will result in the confiscation of the phone. Parents will be required to come to school to pick up the cell phone. The school is not responsible for loss or damage of cell phones that are brought into the school building.

Students are not permitted to bring toys or sports equipment of any kind from home to school unless expressly granted permission by the administrators or his/her classroom teacher.

Other than MCPS Chromebooks, Students are not permitted to bring tablets or other hand-held recreational devices to school at any time.

Thank you in advance for your cooperation.

COMMUNITY SCHOOL

This year Stedwick is a community school! Our Community School Liaison, Ms. Grecia Albarracin, will be working to plan school/community events. Please check children's folders weekly for information.

DISCIPLINE, RESPECT AND THE STUDENT CODE OF CONDUCT

Children are expected to conduct themselves in such a manner that they and their classmates will gain the most from their school experience. School provides many opportunities for children to develop respect for others and the ability to work, learn, and live together in harmony. Behavior and discipline are shared responsibilities of the home and the school. A cooperative and supportive partnership benefits all students and leads to the best type of discipline: self-discipline. Each case of discipline is handled on an individual basis in accordance with county school board policy. The Student Code of Conduct can be found [here](#) and on the MCPS website.

If you have concerns about your child and their interactions with others, please contact Ms. Zolkower or Mr. Snyder.

DISMISSAL PROCEDURES

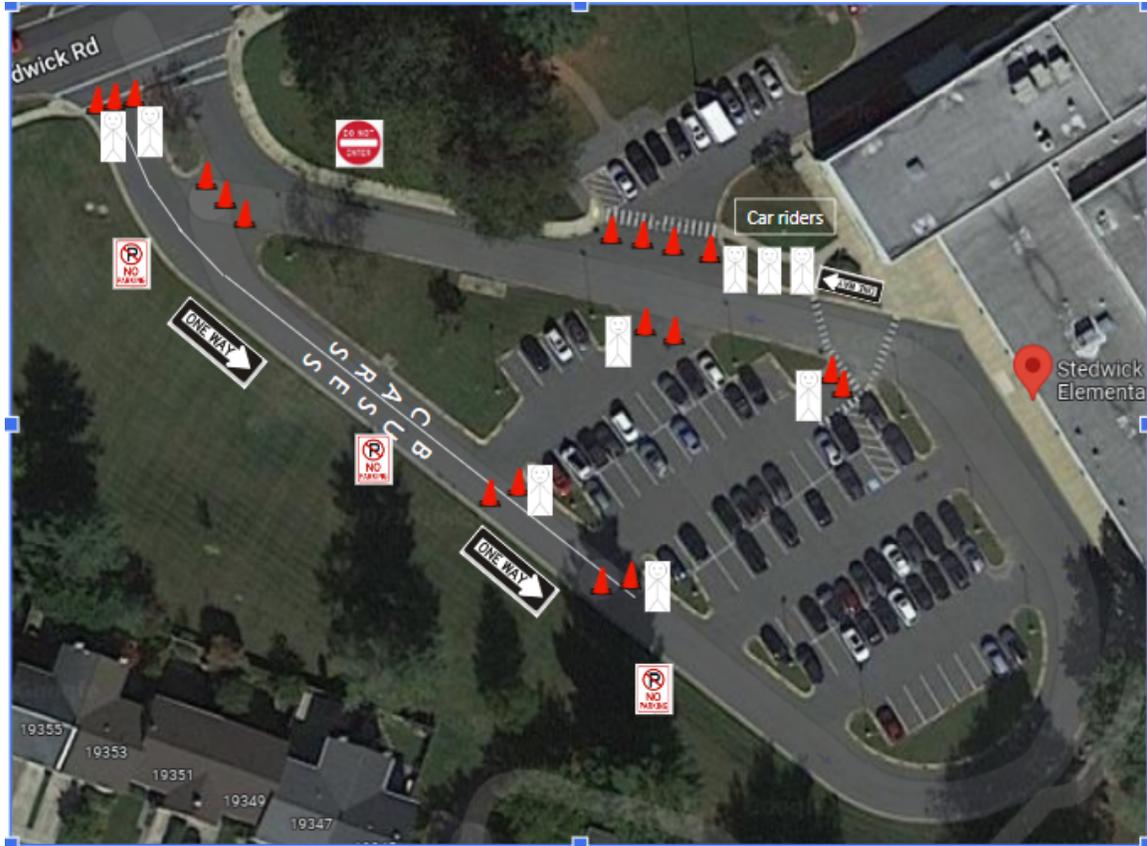

School is dismissed at 3:45 p.m. Students **may not** remain on school property unsupervised at any time.. If your child participates in an after-school activity that begins at any time other than 3:45 p.m., they must go home and return at the proper time. **There is no supervision for students after dismissal.**

As in the morning, **parents/caregivers of car riders** will follow staff direction to the car rider lane. Staff members will greet students and help them into their cars. Parents/Caregivers will remain in their cars during drop off and pick up. **Due to safety and traffic concerns we ask that you please refrain from parking and walking to the front door.**

Procedure for Parent Pick-Up of Walkers

- Pre-K, Kindergarten, 1st, and 2nd Grade students will be dismissed from the APR doors. Parents will meet teachers at the APR doors. Pre-K and Kindergarten will use one door. 1st and 2nd Grade - the other door.
- 3rd Grade students will be dismissed from the main entrance. Parents will meet teachers under the main entrance roof.
- 4th and 5th Grade students will be dismissed from the main entrance.

Please see the map below regarding arrival and dismissal zones

If there are any changes to your child's regular p.m. schedule, please have all arrangements made before the start of the school day. During the first week of school, parents will complete a form identifying adults who have permission to pick their children up from school. If it is necessary to change your child's dismissal plan or for your child to be picked up by someone other than a parent, the school must receive written permission from the parent. If, in a special circumstance, a student who normally walks must ride a bus, or vice versa, the student must bring in a note from the parents to be signed by a member of the administration or classroom teacher. If an emergency should arise during the day which changes the dismissal plan for your child, please call the school as soon as possible, but no later than 3:00 p.m, to ensure adequate notice for your child. Please review with your child that they are never to leave school during the day without permission from the office and the teacher.

FOOD PANTRY

Stedwick ES will continue to offer a food pantry to families. The pantry will be open to all once a month, as well as to individuals by appointment. Please check [our website](#) for information.

HEALTH AND SAFETY GUIDELINES

At Stedwick ES, the health and safety of students and staff is a priority.

All MCPS students, staff and visitors will follow guidelines developed by Centers for Disease Control and Prevention and as well as local health officials.

ILLNESS/MEDICATIONS

A child who is ill is routinely sent to the School Health Room. The school nurse or school health technician will assess the child, contact the parent or guardian, and send the child home if necessary. Any child with an elevated temperature of 100 degrees or above is sent home. It is recommended that your child be free from fever for 24 hours before returning to school. It is likely that at some point during the school year your child will have a medication prescribed for the treatment of a health problem. As a general policy, the school recommends that children receive medication at home whenever possible. In the event your physician decides your child needs to receive medication during the school day, certain procedures must be followed. For more information, contact the School Health Room.

LUNCH

The lunch/recess period is 65 minutes. Lunches may be ordered at school or brought from home. If brought from home in a lunchbox or thermal bag, the box or bag should be clearly labeled with your child's and the teacher's name, since many children misplace these or confuse them with others that are similar.

NEW THIS YEAR

Stedwick will be one of 57 Community Eligibility Provision (CEP) schools in MCPS. School lunch will be available free of charge to all students.

Check the MCPS Web page anytime for information about meals served at school
