Winter STEM Program 2025

Jr. Builders Club: Design and Discover

TIME: **Thursdays** (1/16 - 3/6 - 8 sessions) 3:30 PM - 4:30 PM

LOCATION: Stonegate Elementary (in-person)

GRADES: Kindergarten - 1st grade

COST: \$225.00

Is your child fascinated by how things move?

If so, they'll thrive in the Builder's Club: Design and Discover program, specially tailored for Kindergarten and 1st grade students!

This engaging class invites young learners to explore the fun principles of movement through hands-on projects focused on designing cars and planes. Using a variety of building materials, children will play and learn about how things move and work together!
