The mission of Saturday School is to enhance student mastery of core academic subjects—specifically reading, language arts and mathematics—to prepare students for the challenges of college and careers. Saturday School provides low-cost academic tutoring and instruction with certified teachers in a nurturing and supportive environment.

The program is aligned with the Montgomery County Public Schools (MCPS) curriculum and prepares students for college and the workplace through small group instruction. This support is offered most **Saturday mornings—8:30 am to 11:00 am**—throughout the school year. (See calendar online at saturdayschool.org)

Parents can register MCPS students in **Grades K through 12** at the fee of \$100 per year (\$50 for students who receive FARMS).

Program Highlights

- Grades K through 8 focus on reading, language arts and math
- Grades 9 through 12 focus on core subjects (english and math); support for High School Assessments;
- College and career readiness is emphasized.

Also Offering

- Robotics
- Coding
- Rising Star Pre-K
- SAT/ACT Prep
- Cosmetology

Dream • Believe • Achieve

THE TYPICAL SATURDAY SCHOOL DAY

Each Saturday begins with an opening session which sets a tone of high expectations for students. To foster high self-esteem and confidence, the Saturday School slogan, “***I believe in me!***” is reinforced in a variety of ways. After the motivational session, students in Grades K through 8 break into small, grade-level tutoring groups for 60 minutes of mathematics. High school students work with tutors on specific concepts or course assignments for the entire tutoring session—often in computer labs. Each Saturday School is led by a Center Director, an experienced educational professional, with each classroom staffed by a certified teacher and trained volunteers.

My daughter is benefitting from all the subjects offered at Saturday School, not just math... The unhurried and encouraging atmosphere is a much key to the students’ success as the educational opportunities offered.” – Parent of Saturday School Student

40 YEARS OF SERVICE TO THE COMMUNITY

Saturday School is the oldest and largest tutoring and mentoring program in Montgomery County, Maryland. Members of the Mu Nu Chapter of the Omega Psi Phi Fraternity, Inc., an international Black fraternity founded at Howard University, launched Saturday School in 1986 to assist students who need additional academic support.

All Saturday School center locations are in the areas of Montgomery County with the greatest need—communities that are home to minority children whose families are challenged by poverty and may be learning English as a second language. Saturday School provides academic support and enrichment to reinforce and accelerate learning. The welcoming environment and the caring and dedicated teachers and staff help students achieve their academic goals and increase confidence in their academic abilities.

Support from the community is critical for the program to continue. If you would like to help, please donate online, send your tax-deductible donation to the address below, or call the office to make a credit card donation. The George B. Thomas Learning Academy, Incorporated, Saturday School is a non-profit 501(c)(3) organization. Every contribution is appreciated.
