SOLVER'S PROBLEMS ESTD 2022

Builders Club

AFTER-SCHOOL PROGRAM

BUILDING TOMORROW'S PROBLEM SOLVERS | STEM

STONEGATE ELEMENTARY

ENGINEERING IN MOTION »

A HANDS-ON ENGINEERING CLUB FOR GRADES K–5!

No step-by-step instructions. No single right answer.

Each week, students tackle a new engineering challenge. They'll imagine solutions, build prototypes, test their ideas, and make improvements.

STUDENTS BUILD SKILLS IN:

- Critical Thinking
- Problem Solving
- Engineering Design
- Teamwork & Communication
- Creative Confidence

WHEN: Thursdays
3:30 – 4:30 PM

DATES: Jan 14 – Mar 4
(8 sessions)

COST: $250
