# Why Is World Hunger Important?

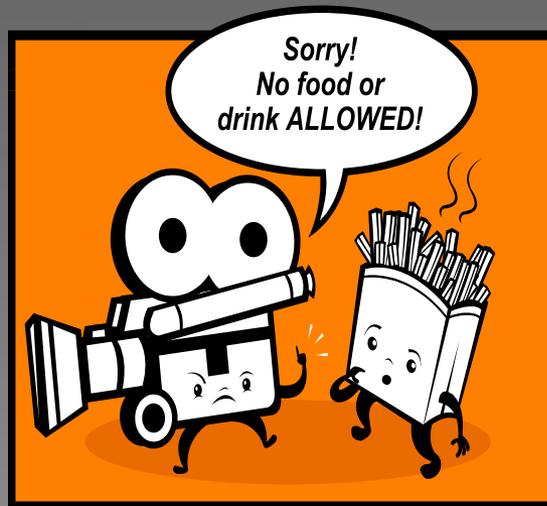

- Every year millions of people get sick or even die because they do not have enough to eat.
- In 1989 people agreed to a list of children's goods, in someone of those extras needs.

# What Happens If You Don't Do A Food Drive?

- Everybody who doesn't have food will die because they don't have enough food to eat or get very ill.

# What Is A Food Drive?

- A food drive is when you donate food to the homeless or people who don't have food.
- Like in schools, they do canned food drives and in the Lost And Found rack. If you don't get your jacket, they will donate it to homeless.

# What Will We Do To Make It Happen?

- ◉ We will collect money for the homeless and we will buy clothes, food and a house. We will give flyers and put up posters so everybody will know.
