Dear Travilah Families,

Welcome to the 2019-2020 school year! I continue to feel honored to have been appointed the principal of Travilah Elementary School this past spring and look forward to serving the Travilah community. I enjoyed meeting many of you at Travilahfest, and at the June PTA meet and greet. Our previous principal Mrs. Shenk, left a wonderful legacy of commitment and dedication as the principal of Travilah for the past 15 years and she will be missed as she enjoys her retirement and spending time with family and friends. To our returning families, we are looking forward to another great year at Travilah! For the newest Travilah members, we are pleased to welcome you to our family. Our school community truly feels like a family and you are going to love it here! As a school community, our vision remains the same. We are committed to creating a 21st century educational setting that results in high academic achievement and continuous growth to prepare our students to be college and career ready for a global society. We maintain this commitment through an emphasis on critical and creative thinking skills, high expectations, mutual respect, and open communication.

It has been a busy summer as the learning never stopped. Our teachers participated in a two day training for our new Benchmark Literacy curriculum. We are excited about the new journey ahead and implementing the new curriculum with all of our students this year. Our goal is to continue the wonderful things that are taking place at Travilah, and I want to provide an atmosphere of openness and collaboration among staff, students and families. On August 20th, I will host a Meet N' Greet at Ledo Pizza in Travilah Square Shopping Center. Come dine with me from 6:00 pm to 7:30 pm and receive a special discount! Click [here](#) for more information. All are invited to attend our Travilah Open House from 2:00 pm to 3:00 p.m on August 29th. This is a wonderful opportunity for you and your child to visit the classroom and meet his or her new teacher. This year, instead of mailing teacher postcards home, you will receive a special Connect-Ed message announcing your child's teacher on Wednesday, August 28, 2019.

The items on the following pages will provide updates and important information that will help us start the year off on the right track! This entire packet can also be accessed on the school website to utilize live weblinks and translations. Please don't hesitate to reach out to us with questions as we are here to partner with you and make this school year as positive, exciting and productive as possible. I am enthusiastic about our journey ahead as we embark on the upcoming school year.

Warm Regards,

Karin Wade

School Hours

The first day of school is Tuesday, September 3, 2019. **Our school day begins at 9:15 am and ends at 3:50 pm** Students may not arrive at school earlier than 9:05 am The best way to have smooth arrival and dismissal times the first week of school is to start your child's regular routine on the first day of school. This way all children will be included in our first day of routines and practices. Staff members will be in the halls to guide students to their destination. To prevent disruptions in the instructional day, parents are not permitted to walk students to their classrooms in the morning.

Arrival

The Trivilah instructional day officially begins at 9:25 am immediately after the morning announcements. Please make sure to wait with your child if you arrive prior to 9:05 am Staff will not be on duty until that time, and we do not want children to be unsupervised. All students entering after 9:25 am. will need to be signed in at the office by a parent or guardian. Car riders will line up in front of the main doors. Bus riders will line up on the black top in front of the school and enter through the side door at 9:15 am, and go directly to their classroom. **Please note this is a change from years past where all students previously lined up in front of the main doors.** Once students enter the building, they will wait quietly in the hallway outside of their classrooms until the teacher arrives. During inclement weather, children will line up in the hallways, outside their classrooms.

Dismissal

Students will dismiss from their classrooms beginning at 3:50 pm Bus riders will be dismissed from their classrooms as buses arrive, leaving through the exit near the main office. Teachers should be notified in writing of any changes to a student's arrival or dismissal routine. If a change in dismissal during the school day, please notify/call the main office by 3:00 pm to ensure the proper dismissal of your student.

Early dismissal days- All students will be dismissed at 1:20 pm after lunch.

Attendance

Parents must call the school attendance line at 240-740-4290 in the morning if his/her child is absent. The attendance line is on 24 hours a day so parents can leave messages about absent students. Please leave your child's name, his/her teacher's name, and the reason for the absence. Please send a note with your child when he/she returns with the reason for the absence. Reminder: Please keep your child home if he/she is sick. Children must be "fever free" for 24 hours before returning to school.

Bus Transportation

Please click [here](#) to view the bus transportation letter from our bus depot manager. If your child normally rides a bus, please allow him/her to ride it to and from school on the first day. Click [here](#) for the AM bus arrival schedule and [here](#) for the PM bus departure schedule. A bus schedule is provided on our website.

Since transportation of students is a very complex operation, for the first few weeks of school, I encourage you to wait with your child for the bus to arrive, to be at the designated stop when the bus returns, and to allow ample waiting time until the schedule has been refined. Should you have any questions, please call Ms. Deborah Lewis, Transportation Supervisor at 301-670-8273. Children may not ride any other bus except the one they have been assigned. If your child is planning to get off at a stop that is different from his/her regular stop, a note must be given to the bus driver. Children may not ride a different bus because of a "play date." Only those children who have a note explaining a change in after school day care will be permitted to change buses.

Bus Safety Rules are very important. Please make sure to review the rules of the bus with your child prior to the start of school.

Ride by the Rules is specifically designed to:

- Raise awareness of students and parents about the importance of appropriate behavior on school buses
- Communicate guidelines for safe and respectful behavior
- Communicate guidelines for reporting disciplinary problems

Car Riders

Parents who drive their children to school can begin dropping them off starting at 9:05 am No adult supervision will be present prior to 9:05 am. Trivilah Road is the only entrance for cars at all times. It is essential that children be safe in the front lot, so please drop your child off on the sidewalk next to the car circle. Children should not be discharged in the parking lot or on the street. We do not want children to walk among moving vehicles. We will have staff unloading the cars, so please have your child ready to exit the car quickly from the passenger side. After your child is dropped off safely onto the curb, please pull out so that other cars can move up and we can unload children as quickly as possible. **DuFief Mill Road is the only exit for cars.** There are two lanes from which to exit. Trivilah staff and patrols will assist with helping students out of vehicles. Please click [here](#) to view the transportation map.

The goal is for the students in our school to read the most minutes possible in an effort to win "Best in State" recognition and get mentioned in the Scholastic Book of World Records! With your help, we can do it! Summer Reading packets have gone home in your child's backpack. The packet will describe in detail Travilah's summer reading program and offer a variety of ways students can respond to text. It will also contain directions to log minutes read for our reading program. Over the summer have your child record the books they read on the reading log and online. If your child reaches the goal of reading 20 minutes a day and completes one activity of his or her choice, he or she will get an

Email addresses are not visible to anyone except the principal as the sender and only emails related to Travilah and MCPS will be sent. Back to School Supplies

Please click on this [link](#) for the 2019-2020 school supplies list needed for students at each grade level. Please remember that these items will need to be replenished throughout the year. You may also want to keep a complete set at home as these items will be needed to complete homework and long-term projects. We would recommend purchasing some additional items. We will supply these for instruction in the classroom, but it is always helpful to have your own for homework. Parents have asked what items classroom teachers will need for the entire class. If any parent wishes to make a donation to the school or their child's classroom (ex. boxes of tissues, containers of hand sanitizer, etc.) Please click [here](#).

Cell Phones

Students may bring a cell phone to school for use after school hours. Phones must be turned off and kept in backpacks. They may not be used during the day.

Curriculum Update

Our academic program will focus on providing students with differentiated instruction that is aligned with the Common Core State Standards. We will implement a new curriculum for the 2019-2020 school year. Students in K-5 will participate in the Benchmark Advance Curriculum for Literacy. All of our teachers attended training in the spring and summer on these materials. K-5 students will continue to use the Next Generation Science Standards for Science and Curriculum 2.0 for Social Studies. Students in 4th and 5th grade who were identified to participate in Compacted Math will use the Curriculum 2.0 Compacted Math curriculum. Next year, we will implement the Eureka Math Curriculum for Mathematics. Families will learn more about our curriculum program at Back to School Night, and at an upcoming PTA meeting. MCPS will also be hosting Curriculum Information Nights in the fall. In addition, our school staff will provide families with curriculum information and resources throughout the year.

Travilah Expectations & Student Support

At Travilah, we expect each child to be responsible for his/her own behavior. Our Travilah Expectations are as follows:

- *Being kind in what I say and do*
- *Being honest and making good choices*
- *Following school rules and being a good friend*
- *Taking responsibility for myself and my learning*

Our goal is to support students by providing them with a variety of social-emotional well-being strategies and supports.

office. It is important that we all work together to follow MCPS safety protocols and procedures. Please note that our exterior doors will be locked at all times. When you visit the school, please press the silver button to the right of the front door and wait for a signal or verbal direction from office staff. If you have not already done so, you will need to complete the [MCPS Child Abuse & Neglect](#) training online to volunteer. You can take the MCPS online training at any time. Once you have completed the training, a completion report will be sent to the school. Please save a copy of the course completion certificate.

Emergency Preparedness

Over the course of the school year, students will participate in safety drills. In addition to five fire drills, students will experience the following drills as part of the MCPS Emergency Preparedness plan: **Lockdown, Shelter, Severe Weather, Drop, Cover and Hold, Evacuation, and Reverse Evacuation.** Click [here](#) for additional information on the drills that are practiced and monitored throughout the school-year.

Inappropriate behavior that violates these values, is not acceptable and there are consequences. We are committed to promoting a positive learning environment and preventing conflict in our school building. Students may face disciplinary actions as a consequence of any behavior that disrupts classes, causes disorder, invades the rights of others, is unsafe, or violates a school rule/ core value.

The 2019-2020 Montgomery County Public Schools (MCPS) Student Code of Conduct is implemented in every MCPS school. The purpose of the Student Code of Conduct is to promote fairness and equity through clear, appropriate, and consistent expectations and consequences in addressing student misbehavior, and to ensure that students learn from their mistakes and make appropriate amends when their behavior affects others. All students will receive a copy of the MCPS Code of Conduct. During the first week of school, students will bring home the MCPS Student Code of Conduct and the Travilah Parent & Student Handbook will be sent electronically and available on our school website. Please take time to review these at home and reach out to the school with any questions. **Please click [here](#) for the 2019-2020 Student Code of Conduct and Student Rights & Responsibilities documents.**
