READ A THON

Help our school raise money by participating in our Read-A-Thon! Your child received a sheet with a code to set up a personal web page that will track minutes read and donations received! Money raised from the read-a-thon will be used for books, equipment, and educational programs. You can share the read-a-thon information with family, friends, co-workers, neighbors, and anyone who may sponsor your child. Last year, our school raised \$10,000! Let's make this the most successful read-a-thon ever!
