

School Directory Alert!

Is your Family New to Wyngate Elementary? Or, have you changed your email address?

If so, would you like to be in the 2010-2011 Wyngate Directory?

Please provide us with your child's name and your email address. Shortly, we will email you a link to our School Directorease Database, along with your family's own username and password. This will allow you to then access the directory database, and provide your family's directory information quickly and accurately. It's that easy!

Child/Children's Name(s):_____

Your email:_____

Please turn this form into the school front office, Attn: PTA/School Directorease.

One directory is included with the purchase of a PTA membership. Additional directories will also be available for purchase.
