

Barons lose 17 - 3. Where to begin? How about at the end. #20, Attack READ COLLINS did exactly that - he attacked from the left side and scored an unassisted beauty bringing closure to the Baron's scoring for the game. It was an impressive effort by Read who delivered an impressive goal. Goals for the beloved Barons were hard to come by in tonight's game against the tough Wootton Patriots. The Baron's first goal was scored unassisted by #4, Middie Ander Etxegoien and the second goal came from the sweet feed off #7, Middie Connor Kosnik's stick to #10, Attack Eric Tschiderer, who deposited the white ball in the white net. Those three goals constituted the 1st, 2nd and 3rd acts of tonight's scoring drama. Hopefully, there will not be a repeat 3-goal performance for the boys in blue and gold. Actually, the overall performance was solid, the results were not so solid. It happens.

Indeed, a tough game but as it has been demonstrated throughout this 4 - 7 season, the Barons showed no quit. Chasing ground balls, stick checking and mixing it up with some physical defense from the starting whistle to the ending horn, the Barons played with heart. One game after SENIOR NIGHT, many underclassmen saw valuable minutes in tonight's game and what the fans saw, was another positive step into a bright BBC LAX future. Evan Sevilla, Josh Price, Gabe LaFranchi, Kavoon Thomas, Addison Montano, Sam Lockwood, Jack Dahill Tom Kehoe, Peter Vicenzi and Lucas Thompson all got minutes and all made contributions to the Baron cause.

Next up, Quince Orchard. This promises to be a tough game as well so make plans now to attend this Friday's LAST HOME GAME of the season That's May 6th at 7PM. Come be vocal and support your Barons.

Go Barons ! Let's Roll !!
