

Five B-CC Gymnasts Named to County All-Star Team, to Compete in State Championships

In an unusually close team competition at the County Championship meet Tuesday night, the B-CC gymnastics team placed third with 162.425 points, just behind Blair (169.975) and Walter Johnson (173.7). Trailing B-CC were Sherwood (155.975), Whitman (153.75), Blake (152.5), and Gaithersburg (118.575).

Five B-CC gymnasts earned the right to represent Montgomery County in individual events at the State High School Championship meet next Wednesday. Members of the "All-Star Team" from different County schools qualified for the State meet on the basis of their scores in individual events, along with the two top-scoring schools in the County competition.

Leading the B-CC qualifiers will be senior captain Julie Siegel, who will compete on 3 events [what?] in the State meet. In addition, Junior Nicole Epstein will represent B-CC on floor and sophomore Michaela Socolof will compete on balance beam. Rounding out the B-CC contingent are freshmen Lizzie Orr, on vault and floor exercise, and Bergen Kassoff, on the balance beam.

B-CC's showing was especially impressive for a young, rebuilding team, two-thirds of whom are freshmen or sophomores. Except for Julie Siegel, the entire team will be back next season.
