

# IB Film 2 Summer Assignment

In preparation for your first IB Film 2 assessment of the year, each student should write a six-page scene typed in 12-point Courier in standard screenplay format. The first two pages should contain no dialogue. **Choose one of the following prompts for the basis of your scene:**

- Someone sees a spider in their home and tries to kill it at any cost.
- When burglars break into her home, a young girl tries to sneak out of the house without being seen.
- A starving puppy tries to steal food from the kitchen of a five-star restaurant.

Or, if you have a clear vision for a short film, you may focus on that, keeping in mind the first two page no-dialogue requirement. Feel free to run a one- to two-sentence summary by Mr. Boswell at [Matthew\\_J\\_Boswell@mcpsmd.org](mailto:Matthew_J_Boswell@mcpsmd.org) (avoid using his .net account).

For additional screenwriting resources including formatting tips and example scripts, visit the [Academy of Motion Picture Arts and Sciences website](#).

Screenplays in hard-copy form are due on the first day of class, currently scheduled for Tuesday, September 3.
