the Capitol for the VOTE!
classroom experience
has been booked for
February. Stay tuned for
more details!**

Coordinator Clements's Comments

Welcome to fall! The beginning of the school year always brings so much fun– football games, pep-rallies, homecoming, and more! I hope that each of you APPS students are finding a way to access this fun while continuing to balance your rigorous school schedules.

I am looking for ideas for guest speakers this year. Some of the best speakers we have had have been nominated by students. If you know anyone you think has a good story to share with other APPS students, please let me know!

APPS Advirosy Cuncil students helping to promote the APPS program to our feeder middle schools. Nevin,Caroline, Saachi, Lilly, and Ian at Rocky Hill. James and Jenny at Hallie Weslls

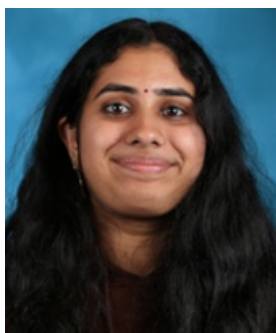

Our first guest speaker this year was Christian Marsh. He spoke about college level athletics and beginning his career in immigration law.

The yearly AP European History field trip to the National Gallery of Art was rerouted to the Capitol and Botanical Gardens. The scholars still had fun!

Students of the Month

Sriya Hemardi is a kind and conscientious student. She works hard both inside and outside the classroom

Class of 2027

Nanami Frierson is doing an AMAZING job in English! Her reading comprehension and writing skills are excellent.

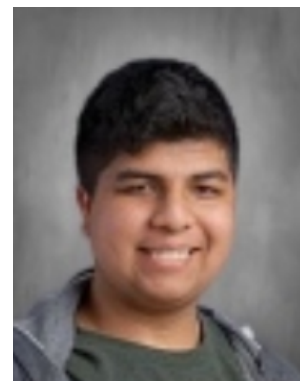

Class of 2029

Donna Lee is an enthusiastic student. Her excitement about learning is inspiring and contagious.

Class of 2028

Aydin Ahmed truly embodies the spirit of inquiry and pushes himself to produce exemplary work always.

Class of 2030

Celebrating 20 Years of APPS

When Clarksburg High School opened in 2006 the APPS program was initiated as the local signature program of our school. Since then, thousands of students have come through the APPS program- making their mark on the traditions and legacies of our school. Not only have they had an impact on our school but they continue to bring their gifts and talents to the world. Although I did not become the APPS coordinator until 2019, I have been involved with this program since 2006. It has been my honor and privilege to see the impact it has had on our scholars and our school family.

Not too late to travel!

We still have a few spots left for this year's Spring Break trip to France and Switzerland.

The plan for 2028 Spring Break is Safari in South Africa- stay tuned for more information!
