## Local Summer School Program Announcement

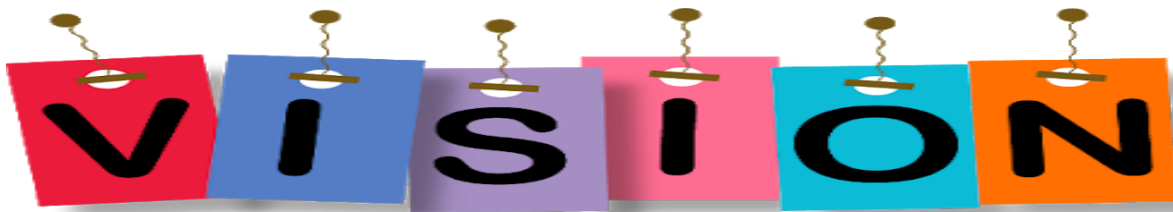

### The Colonel's Local Summer School Announcement:

Summer is just around the corner and Colonel Zadok Magruder High School will be hosting a local summer school program to include opportunities for our current and incoming grade 9 students. Students will be afforded the opportunities to take courses in-person for original, credit recovery, non-bearing and participate in special/elective courses. We will also provide opportunities for students to take their course virtually, using Edmentum, an online web-based program, which will require students to have scheduled check-ins with their assigned teachers.

### The Colonels Local Summer School Program

The vision for the Local Summer School Program at Colonel Zadok Magruder High School is to provide access for all students to engage in summer academics and specials/electives, while also identifying specific students in need of a summer instructional program to engage in unfinished learning or have been disconnected from school. In order to best support student engagement and well-being during this time, the goal is that students are able to access programs in-person through their local school.

## Local Summer School Program Announcement

### REMINDERS:

- Students will have the opportunity to take A/B level courses in the same three-week session.
- Edmentum, a web-based program, with Maryland Department of Education (MSDE) MCPS approved courses will be used for online learning and our hybrid model. The expectation is that students must have a designated face-to-face live (in-person) synchronized instruction.

- Direct classroom instruction will also be provided for our students who need the in-person direct instruction.
- Attendance will be taken and is required, as curricula for the selected subjects are compacted into three weeks.
- Transportation will be provided, using an "activity bus like" model.
- Meals will be provided.
- The summer school day will be from 8:00 a.m. - 12:30 p.m.

### What's the update about the Magruder High School Local Summer School Program this week?

### REGISTRATION is NOW OPEN!

Click on the [Magruder High School Local Summer School Registration](#) to register for two classes per session. At this time, incoming grade 9 students are only permitted to take Honors Geometry credit. No other courses may be taken for original credit.
