

PEAC Honors Biology – Summer Assignment

Welcome to PEAC Biology! In order to prepare you for this class, please print out and complete the following summer packet. The summer packet is comprised of five chapters that focuses on the introduction concepts to Biology. Each chapter is set up as a reading outline with guided and summary questions. Please read carefully as you answer the questions. The expectation is that the packet is completed and due the first week of school. See you in the fall!

Contact Mrs. Virginia Snyder, PEAC Coordinator, or Mrs. Jennifer Chiang with questions.

Accessing the Packet

The link to print out the PEAC Honors Biology summer assignment will be posted no later than May 27, 2019 to the following webpage under the heading – 2019 PEAC Summer Assignments:
<https://www.montgomeryschoolsmd.org/schools/magruderhs/peac/>

Printed copies of the packet will be available for pick-up in the main office of Magruder High School beginning Monday, May 27, 2019.
