

Dear Community Partner,

At Northwest High School, Jag Nation is built on the belief that when a community comes together, extraordinary things happen for students.

The Northwest High School PTSA invites you to support our Annual Silent Auction by donating an item, experience, gift certificate, or service. As the flagship fundraiser for our After Prom, every contribution, large or small, helps create a memorable and safe celebration for our students.

Proceeds from the silent auction directly support **After Prom**, providing ~500 juniors and seniors with a safe, supervised, and unforgettable celebration following prom. Filled with entertainment, food, games, prizes, and activities, After Prom offers students an unforgettable way to celebrate this milestone while offering families added peace of mind.

We are excited to announce that this year's Silent Auction will be held at a **new partnering venue**, with event details and date to be shared soon. The auction will bring together hundreds of parents, alumni, educators, local businesses, and community members in support of Northwest students.

As a community partner, your generosity will be recognized through our event promotions, catalog, website, email communications, and social media, **reaching more than 3,000 Northwest High School parents, students, staff, alumni, and community supporters**. As a nonprofit organization, all donations are tax-deductible (EIN #: 52-2104123).

To donate an item or experience, please complete our online donations form by [clicking here](#) or scanning the QR code below. If you have any questions, contact Jenn Moss at moss3210@gmail.com.

Thank you for investing in Northwest High School students. Your generosity helps create lasting memories, strengthens our community, and reminds our students that Jag Nation stands behind them every step of the way.

With sincere appreciation,

Northwest High School PTSA
After Prom Committee
