

MOOLA MADNE\$\$ is back again and
YOU can be a WINNER...
It's as easy as 1...2...3

1. From August 30th through November 18th you can purchase (temporarily) a deed to a one square yard plot of the QO football field.
2. When the purchasing period closes, a computer application randomly assigns the purchased plot locations.
3. Then, on November 21st the farmer will bring his well-fed cow to drop her meadow muffins willy-nilly all over the field. If one of the first three muffins lands in your plot... **YOU'RE A WINNER !!**

What an udderly hilarious idea! Mail me...
