I understand that staffing and the schedule for the school year are based on the courses that students request. Course requests will be confirmed to parents in a letter in April. Any changes to the confirmed courses must be submitted by April 30th. Teachers are hired and courses arranged to accommodate course requests; however, sometimes student scheduling conflicts are unavoidable given the school's final schedule and staff allocations.

I have reviewed the graduation requirements, and I approve of these course requests and alternate selections.
