

## Membership Form

Welcome to the 2020-2021 chapter of the Wheaton High School Key Club! Let's start off with some information we would like Key Clubbers to know.

Key Club's mission is to provide students the opportunity to become leaders while providing services to not only transform the community, but the world as well.

### ***Policies:***

- Meetings are held on Tuesdays during lunch (about 25-30 min) in 2301. Please be prompt.
- Members must participate in at least 5 services throughout the year.
- If you sign up to help with an activity you will be held accountable to be there.

On a side note The WHS Key Club is one of the oldest clubs in the school. We hope to continue to promote a sense of community and service throughout the school.

### ***New Earned Hours Policy:***

Being a part of this club you can earn hours for all the projects in this upcoming year.

- At any event you must sign in a start and end time.
- It is your responsibility to correctly fill out your SSL sheets to gain hours.

### ***Membership Fee:***

Members must pay a membership fee of \$13. Why? This money goes to Key Club International (yes this club is worldwide). Our very own Key Club and our district pay for monthly newsletters and other materials given to our club. We will not turn anyone away because you are unable to pay. Please see an officer or our sponsor and we can work something out for you.

Thank you for becoming a part of the Key Club family

Sincerely,  
Officers of the WHS Key Club
