

Star Scholarship Foundation

The STAR Scholarship Foundation is a not-for-profit foundation started and initially funded by Paul Peck in 1992 to help African American and Black students achieve their higher education goals. STAR's purpose is to show African American and Black students that there is hope, the community cares, and studying pays.

STAR is an all-volunteer organization and more than 98% of funds go toward scholarships and merit awards. As of July 2012, STAR has awarded \$2,164,075 in scholarships and merit awards.

STAR offers African American and Black students in the 9th, 10th, and 11th grades, the opportunity to win \$1,000 or \$250 college or vocational school scholarships. African American and Black 8th graders may win \$150 or \$75 STAR Merit Awards, 7th graders may win \$100 or \$50 STAR Merit Awards, and 6th graders may win \$50 or \$25 STAR Merit Awards.

STAR Scholarship Foundation's Academic/Vocational Opportunities

The STAR Scholarship Foundation invites you to apply for a \$1,000 grant-in-aid scholarship which will start you on the road to achieving your career goals by improving your education and building your job skills.

This competitive scholarship program is open to all African American (black American of African descent) and Black 9th, 10th and 11th graders in the Montgomery County Public Schools who meet the minimum requirements and want scholarship money to pay for future college or vocational school costs.

Scholarships are provided for both academic and vocational schooling. The potential exists to win three STAR scholarships if you apply in the 9th, 10th and 11th grades. Thus you may win up to \$3,000 toward your education after high school by winning the STAR Scholarship for three consecutive years. Numerous students have won multiple scholarships. The scholarship may be used for tuition, housing, books, or fees; and is paid directly to the college or vocational school. The scholarship is revoked if not applied for within 3 ½ years after graduation from high school.

STAR scholarships offer more than just money to winners. You will receive media recognition at the Annual Awards Ceremony. Winning a STAR Scholarship will also improve your chances of winning a four-year scholarship. If you are interested in success, in winning, in building your future and continuing your education, complete the application and attached forms and bring them to your counselor. Do it for yourself and your future.

STAR Scholarship Foundation Minimum Requirements

Students who have:

- Consistently above average grades (GPA 3.1 or greater) in the previous school year or grades showing significant progressive improvement over three previous marking periods.
- Plus one or more of the following :
 - Significant academic accomplishments
 - Significant employment experience / employer recommendation
 - Significant volunteer efforts or community involvement
 - Responsibility in family life (caring for family member, contributing to family income)
 - Responsible participation in service-oriented or extracurricular activities
