## Academic Planning Timeline <br> 2019-2020

Students are expected to assume responsibility for developing appropriate course selections for each school year. The academic planning time line provides a structured process, which is expected to be followed by students, parents/guardians, teachers, and counselors.

## Registration Timeline by Grade:

Rising $9^{\text {th }}$ Graders (Class of 2024)

| $1 / 6$ | WHS Counselors visit Cabin John Middle School to hand out registration card, course bulletins, and to explain the on-line <br> registration process. The on-line registration window will open on $1 / 9$. |
| :--- | :--- |
| $1 / 7$ | WHS Counselors visit Robert Frost Middle School to hand out registration card, course bulletins, and to explain the on- <br> line registration process. The on-line registration window will open on $1 / 9$. |
| $1 / 9$ | Rising $9^{\text {th }}$ Grade parent meeting in the Wootton Auditorium. (7:00 p.m.) Snow date: 1/13 |
| $1 / 9-$ <br> $1 / 17$ | The on-line registration window is open for course selection. Return completed registration cards to counselor by $1 / 17$. |

Rising 10 ${ }^{\text {th }}$ Graders (Class of 2023)

| $12 / 16-$ | WHS Counselors meet with Rising 10th Graders to hand out registration cards and to explain the on-line registration |
| :--- | :--- |
| $12 / 19$ | process. The on-line registration window opens $12 / 16$. |
| $12 / 16$ | Rising $10^{\text {th }}, 11^{\text {th }}$, and $12^{\text {th }}$ grade parent meeting in the Wootton Auditorium. |
| $12 / 16-$ | The on-line registration window is open. Students return registration card to their social studies teachers on $1 / 3$. |
| $1 / 3$ |  |
| $2 / 3-$ | WHS Counselors meet with Rising $10^{\text {th }}$ Graders to review course selections. |
| $2 / 14$ |  |

## Rising 11 ${ }^{\text {th }}$ Graders (Class of 2022)

| $1 / 3$ |  |
| $1 / 7-$ | WHS Counselors meet with Rising $12^{\text {th }}$ Graders to review course selections. |
| $1 / 17$ |  |

## June 1, 2020 ***Student requests for schedule changes after this date are not guaranteed***

Course selection change requests require completed schedule change/commitment form. (Available in the Counseling Office)

## PREVIEW FOR CURRENT MIDDLE SCHOOL STUDENTS

## Starting with Class of 2023

## FIRST YEAR NINTH GRADE: 2019-2020 MCPS Graduation Requirements at a Glance

THE STATE OF MARYLAND AUTHORIZES ONE DIPLOMA for all high school graduates, based upon successful fulfillment of four categories of requirements: enrollment, course credit, student service learning (SSL), and Maryland assessments. Students must satisfactorily complete four years beyond Grade 8 to meet the enrollment requirement. All other requirements are summarized in the table below. Please consult either the online MCPS Course Bulletin at http://coursebulletin. montgomeryschoolsmd.org or your school counselor for further information.

| COURSE CREDITS |  |  |  |
| :---: | :---: | :---: | :---: |
| English | 4 credits |  |  |
| Fine Arts | $\mathbf{1}$ credit-Selected course in art, dance, drama/theater, and music satisfies this requirement (FA). Courses satisfying this requirement are designated in the course bulletin. |  |  |
| Health Education | 0.5 credit |  |  |
| Mathematics | 4 credits including 1 with instruction in algebra aligned with the Maryland High School Assessment for algebra, or more credits in subsequent mathematics courses for which Algebra I is a prerequisite, and 1 with instruction in geometry, aligned with the content standards for geometry. <br> NEW STATE REQUIREMENT FOR STUDENTS GRADUATING IN 2018 AND LATER: <br> Students graduating in 2018 and later must be enrolled in a math course in each year of high school. This may result in students earning more than 4 credits in math for graduation. |  |  |
| Physical Education | 1 credit |  |  |
| Sclence | 3 Next Generation Science Standards (NGSS) credits including 1 life science credit (BC) and 1 physical science credit (PC). Courses satisfying this requirement are designated in the course bulletin. |  |  |
| Soclal Studles | 3 credits must include 1 U.S. History credit; 1 World History credit; and 1 National, State, and Local Government credit. |  |  |
| Technology Education | 1 credit designated TE. Advanced Technology (AT) courses do not satisfy the TE course requirement. Courses satisfying this requirement are designated in the course bulletin. |  |  |
|  | OPTION 1 | OPTION 2 | OPTION 3 |
| Electives <br> The additional credits required for graduation may be fulfilled by one of the following three options: | 2 credits in a world language, which may include American Sign Language, <br> AND <br> 2.5 credits in elective courses | 2 credits in advanced technology education (AT) <br> AND <br> $\mathbf{2 . 5}$ credits in elective courses TE courses do not count as AT course credit. | Complete a state-approved Program of Study <br> AND <br> 0.5 credit in elective courses |
| STUDENT SERVICE LEARNING (SSL) |  |  |  |
| Student Service Learning (SSL) | 75 service-learning hours |  |  |
| MARYLAND COMPREHENSIVE ASSESSMENT PROGRAM HIGH SCHOOL ASSESSMENT (MCAP HSA) REQUIREMENTS ${ }^{1,2,3,4}$ <br> The MCAP HSA requirements are subject to change by Maryland State Department of Education (MSDE). |  |  |  |
| Algebra 1 | Course credit earned in Algebra 1, AND <br> - Pass Algebra 1 PARCC |  |  |
| HS-MISA <br> Maryland Integrated <br> Sclence Assessment | 3 NGSS science courses in science, AND <br> - Pass HS-MISA |  |  |
| English 10 | Course credit earned in English 10 or equivalent, or ESOL 3 or higher, AND - Pass English Language Arts/Literacy 10 PARCC |  |  |
| Government | Course credit earned in National, State, and Local Government, AND <br> - Pass Government HSA |  |  |

${ }^{1}$ Substthute Test-Students earning qualifying scores on substitute tests (AP/IB) will meet the MCAP HSA requirement in that content area.
${ }^{2}$ Transfer Credit-Students transferring from outside MD public schools may be elligible to meet some MCAP HSA content-area requirements with transfer credit.
${ }^{3}$ Combined test score options are avaliable for the HSAS and for the PARCC assessments.
${ }^{4}$ Bridge Plan-An aitemative means of meeting the MCAP HSA graduation requilrement. With the Bridge Plan, students demonstrate content mastery by completing projects when they have difficulty passing the traditional test.

[^0]
## College and Career Readiness

IN 2013 , THE MARYLAND GENERAL ASSEMBLY PASSED the CollegeandCareer Readiness andCollegeCompletion Act (CCRCCA), aimed at ensuring that all students are prepared for credit-bearing coursework in college and for living wage careers. The Act includes the requirement that all students be assessed for college and career readiness in English and mathematics by the end of Grade 11, using one of several college and career readiness assessments. Students who do not meet the college and career ready standard in English or mathematics by the end of Grade 11 will be required to enroll in a transition course or other instructional opportunity during Grade 12, in preparation for reassessment. After completing the transition course or instructional opportunity, students must be reassessed by the end of Grade 12 . School counselors and staff will work closely with students to determine the best assessment to take in Grade 11, as well as transition course options and reassessment during Grade 12, if necessary.

What are the assessments that determine college and career readiness in MCPS?

| One of the following assessments may determine <br> college and career readiness in |  |
| :--- | :--- |
| CRITICAL READING/ENGLISH/LANGUAGE ARTS |  |$|$| SAT: | $480^{*}$ or higher |
| :--- | :--- |
| ACT: | 21 or higher |
| ACCUPLACER: | Reading 79 or above <br>  <br>  <br> Sentence Skills 90 or above |
| Advanced Placement (AP) Language and Composition or <br> AP Language and Literature: <br> 3 or higher |  |
| International Baccalaureate (IB) English: <br> 4 or higher |  |

| One of the following assessments may determine <br> college and career readiness in <br> MATHEMATICS |  |
| :--- | :--- |
| SAT: $\quad 530^{*}$ or higher |  |
| ACT: $\quad 21$ or higher |  |
| ACCUPLACER: | Elementary Algebra 62 or above <br> College Level Math 45 or above |
| Advanced Placement (AP) Calculus AB or BC, <br> or AP Statistics: <br> 3 or higher <br> International Baccalaureate (IB) Mathematics: <br> 4 or higher |  |

*Revised in 2017-2018 for the redesigned SAT.

## OR

Career and Technology Education (CTE) external assessment that leads to a professional license or industry certification Visit www.montgomerysChoolsmd.org/uploadedFiles/info/CCRCCA/Certifications-041217.pdf for specific programs.

OR LOCAL AGREEMENTS WITH MONTGOMERY COLLEGE:

| Summative writing assessment |
| :---: |
| externally validated by Montgomery College |
| OR |
| Grade of B or Higher in Modern World History (any level), AP |
| Language and Composition, or Honors English 12 |

Summative mathematics assessment externally validated by Montgomery College

OR
Grade of B or Higher in Algebra II (any level)

## What if a student does not meet the requirement by the end of Grade 11?

As part of the CCRCCA, students who do not meet the standard by the end of Grade 11 must enroll in a transition course or other instructional opportunity in Grade 12. After completing the transition opportunity, students must be reassessed by the end of Grade 12. Transition options will include-

1. Completing online instructional modules in preparation for reassessment.
2. Enrolling in a course within the student's schedule, such as College Test Prep; AP or IB English and/or mathematics courses; a Career and Technology Education (CTE) program that leads to an MSDE-approved industry certification; or a transitional course offered in partnership with Montgomery College.
3. Enrolling in the next English or mathematics course in sequence with enhancements that provide additional time and content in preparation for reassessment.

## How will students know what test to take and if transition coursework is needed?

School counselors and staff will work closely with students to determine the best assessment to take in Grade 11, as well as transition options and reassessment during Grade 12, if necessary.

How can I recelve more information about test optlons, my child's status, and programming?
Contact your child's school counselor or college and career information coordinator at your high school. More information also can be found at www.montgomeryschoolsmd.org, search "CCRCCA."

## Advanced Placement (AP) Courses \& Testing Fees

Wootton High School offers a comprehensive range of Advanced Placement courses. In these courses students are instructed and study at the college level. Colleges will often, upon successful completion of these courses and exams, grant college credit at matriculation. All students enrolled in an AP course are expected to participate in the National Advancement Placement testing session in May. The cost of each AP exam is approximately $\mathbf{\$ 9 8}$.

AP courses offered for 2020-2021

| Course Title | Course Code |  | Course Title | Course Code |
| :--- | ---: | :--- | ---: | ---: |
| AP Art History | $6456 / 6457$ |  | AP Photography (SP) | $6351 / 6352$ |
| AP Computer Programming | $2901 / 2902$ |  | AP Chemistry (DP) | $3751 / 3752$ |
| AP Computer Science Principles | $2918 / 2919$ |  | AP Biology (DP) | $3651 / 3652$ |
| AP Language \& Comp. | $1015 / 1016$ |  | AP Environmental Science | $3659 / 3660$ |
| AP Literature \& Comp. | $1017 / 1018$ |  | AP Physics 1 | $3891 / 3892$ |
| AP Chinese Language | $1929 / 1930$ |  | AP Physics (SP) | $3841 / 3842$ |
| AP French Language | $1635 / 1636$ |  | AP Physics (DP) | $3851 / 3852$ |
| AP Spanish Language | $1759 / 1760$ |  | AP US History | $2114 / 2124$ |
| AP Spanish Literature | $1761 / 1762$ |  | AP NSL Government | $2104 / 2105$ |
| AP Calculus AB | $3452 / 3453$ |  | AP World History | $2240 / 2241$ |
| AP Calculus BC | $3491 / 3492$ |  | AP European History | $2216 / 2217$ |
| AP Statistics | $3320 / 3321$ |  | AP Human Geography | $2332 / 2333$ |
| AP Music Theory | $6547 / 6548$ |  | AP Comp Gov and Politics | $2132 / 2145$ |
| AP Studio Art Drawing (SP) | $6482 / 6483$ |  | AP Psychology | $2330 / 2331$ |
| AP Studio Art (DP) | $648431 / 648432$ | AP Economics | $2315 / 2316$ |  |
| AP Ceramics (DP) | $648931 / 648932$ |  |  |  |

## Required Testing Fees for AOIT/Cisco Networking Academy Courses

## IT Essentials (4236/4237)*

There are two exams for CompTIA A+ Certification (220-1001 and 220-1002). Each test will cost $\$ 100.00$.

## NDG Linux Essentials (4245-4246)*

Linux Essentials 010 exam (010-160). The cost for this exam is $\$ 120$.

## Intro to Networks (4247/4248)*

CCENT Certification exam. The cost for this exam is $\$ 165$, but a $38.5 \%$ discount is available if a pre-paid voucher is purchased. Students may opt for CompTIA Network+ exam instead, which costs $\$ 154$.

## Routing \& Switching Essentials (4230/4231)*

ICND 2 Certification exam. The cost for this exam is $\$ 165$, but a $38.5 \%$ discount is available if a pre-paid voucher is purchased.

## AOIT Program

Contact: Ms. Bethany Petr Phone: 240-740-1527<br>Email: Bethany_A_Petr@mcpsmd.org

## Program Overview

The Academy of Information Technology (AOIT) at Wootton High School is a program of study that introduces students to the broad career opportunities available in today's digital workforce. The program equips students with personal analytical, technical, and communication skills needed for success. By providing a new context for learning, the academy helps build the motivation, confidence, and sense of personal worth that will help students from all backgrounds to succeed in high school and beyond. The academy serves students of all abilities. Most students apply to join in winter of 8th grade. Current freshmen who are already enrolled in AP CS Principles, Foundations of Computer Science, IT Essentials, and/or Linux Essentials may apply to join in winter of 9th grade. Applications open in January and close March 1.

## General Coursework

Students take at least one course during each year of school. Those students who select the Information Resource (Web) or Programming pathways must complete a paid 200-hour internship in the summer between their junior and senior year. Those who select the Networking pathway are encouraged to complete the internship, though it is not required for program completion. The Networking pathway involves preparation for the CompTIA A+ certification, the Linux Essentials certification, and the CCENT or Network+ certification.

## Required Maryland Tech-Ed Credit

All Maryland high school students are required to complete 1 Tech-Ed credit. This is in addition to the courses that count towards completion of AOIT. Options for this course are based on the particular AOIT pathway.

| Programming Pathway | Information Resource Pathway | Networking Pathway |
| :--- | :--- | :--- |
| AP Computer Science Principles - | AP Computer Science Principles - | AP Computer Science Principles - |
| $2918 / 2919$ - must be taken in |  |  |
| grade 9 | $2918 / 2919$ - must be taken in | $2918 / 2919$ - taken in any grade 9- |
|  | grade 9 | 12 |
|  | OR | OR |
|  | Foundations of Computer Science | Foundations of Computer Science |
|  | $-2916 / 2917$ - must be taken in | $-2916 / 2917$ - taken in any grade |
|  | grade 9 | $9-12$ |

## Pathway Requirements

## Computer Programming

These credits begin in grade 10 - Tech-ed credit (AP CS Principles) required in grade 9

| Course Number | Course Name | Credits |
| :--- | :--- | :--- |
| $2989 / 2990$ | Computer Programming 1 | 1-Advanced Level |
| $2901 / 2902$ | AP Computer Programming 2 - AP Java | 1 - Advanced Placement |
| $2965 / 2966$ | Computer Programming 3 - Advanced Topics in CS | 1-Advanced Level |
| 5720 | NAF Internship - Completed summer between <br> grades 11 and 12 | 1-Advanced Level <br> Counted as 9th course in grade 12 |
| $4247 / 4248$ | Intro to Networks - CCNA I <br> Provides 4th required credit for those students who <br> skip CP1 based on TEACHER <br> RECOMMENDATION | 1 - Taken during grade 12 |

## Information Resource (Web Development/Design)

These credits begin in grade 10 - Tech-ed credit (AP CS Principles or Foundations of CS) required in grade 9

| Course Number | Course Name | Credits |
| :--- | :--- | :--- |
| $2991 / 2992$ | Website Development | 1 |
| $2936 / 2937$ | Advanced Web Tools \& Digital Media | 1 - Advanced Level |

| $4230 / 4231$ | Routing \& Switching - CCNA II | 1 - Advanced Level - CCENT or <br> Network+ |
| 5720 | NAF Internship - Completed summer between <br> grades 11 and 12 | 1 - Advanced Level <br> Counted as 9th course in grade 12 |

## DUAL ENROLLMENT OVERVIEW

#### Abstract

What is Dual Enrollment? Through a partnership with Montgomery County Public Schools and Montgomery College. Dual Enrollment opportunities allow MCPS high school students to take college courses during the academic school year. Students are able to take college courses offered on any Montgomery College Campus, or the USG campus with other Wootton students, or online during the Summer, Fall, Winter and Spring College Terms of their junior and/or senior year. All college courses taken and successfully completed will receive dual credit by counting toward college and high school credit. (MCPS website What courses are offered through the Dual Enrollment Program?) Click $\rightarrow$ MC Courses Approved

High school students who enroll and take a college course at any Maryland public college or university are able to do so at a reduced cost. If students select to take courses at MC, and meet qualifications for and separately apply for the MC High School Grant, they may be able to take college courses at no tuition cost.

* Provide an educational experience beyond what is available at the secondary level.
* Allows students to earn transferable college credits, \& save money on college tuition (17 yrs. running strong).
* Demands maintenance of good academic habits, \& learn new independent college-level skills.
* Accelerate college completion; gain self-confidence, plan for their future and endless success in college/beyond.
* Provides orientation, support, and guidance to ensure success for all; while reinforcing time management.
* Form accurate perspectives of what skills and education are needed to be successful at the college level.

## Who can participate in the Program?

High school juniors and seniors who meet the College's Dual Enrollment (DE) standards may enhance their schedule with college course work and experience the independence of college-level study.
$>$ Accessed college ready via ACCUPLACER, ACT, SAT, or other approved college readiness measures.
$>$ Secured a minimum unweighted grade point average of 2.5 for seniors and 2.75 for juniors. Students who do not meet this requirement can request a review to be approved to participate in the program.
$>$ Applicants must be at least 16 years of age and completed their sophomore year prior to participation in the program.
$>$ Participants must have approval of parent (or guardian). Visit the MC Dual Enrollment website for the current eligibility requirements.

## What students should know when taking Dual Enrollment?

The program allows eligible students to experience the responsibilities and rigors of college classes, earn transferable college credit, explore career options and subjects not found at the high school level, and utilize an abbreviated schedule. ALL students must apply to Montgomery College before enrolling in the program.
\# Students may enroll in a variety of courses at any Montgomery College Campus, provided they meet the Dual Enrollment standards. The credits earned will be applied to a degree program at ALL Maryland State Schools or be transferred to another institution. Visit MC Academic Course Catalog for a FULL LISTING OF COURSES.
\# Students may dually enroll at MC for high school and/or college credit while they are MCPS students. View the MCPS website: Dual Enrollment "Courses" $\rightarrow$ (What courses are offered through the Dual Enrollment Program?)

* MCPS provides transportation to and from the USG Campus ONLY.
\# Tuition assistance offered at a reduced rate for students who qualify.

## Dual Enrollment Assessment Information

Students who wish to take a college course should meet the minimum scores noted below on the SAT, ACT, and ACCUPLACER respectively, in addition to having an unweighted grade point average of 2.5 for seniors or 2.75 for juniors. If students do not meet the test requirements they may be eligible to take a college course if they have a B or higher in the final semester of the following approved courses to determine college readiness in English and mathematics:
English: AP Language and Composition; Honors English 12; Modern World History; Honors Modern World History; AP World History
Mathematics: All levels of Algebra 2

| Critical Reading/English/Language Arts | Mathematics |
| :---: | :---: |
| SAT : Reading subtest 26 or higher or Evidence-based Reading/Writing 480 or higher <br> OR <br> ACT : 21 or higher <br> OR <br> *Classic ACCUPLACER : Reading 79 or above <br> AND Sentence Skills 90 or above <br> OR <br> Next Generation ACCUPLACER: Reading 263 or above AND Writing 263 or above | SAT : 530 or higher <br> OR <br> ACT : 21 or higher <br> OR <br> *Classic ACCUPLACER : Elementary Algebra 62 or above AND College Level Mathematics 45 or above <br> OR <br> Next Generation ACCUPLACER : Quantitative Reasoning, Algebra, and Statistics 263 or above |

[^2]
## What courses are offered through the program?

Students in the Dual Enrollment Program can enroll in ANY MC College Level Course as long as they meet the requirements for that course. The list of institutions who have accepted transfer credit for courses taken through Montgomery College is quite impressive (17yrs. Of Successful Transferable Credits).

The courses offered through the Dual Enrollment program are typical courses, but not limited to of all first-year college students; to experience the responsibilities and rigors of college classes. They include courses which are first in a professional series, general education courses, and provide a foundation for every major fields of study or career exploration.

PLEASE NOTE: Course offerings vary from year to year based on MC faculty and enrollment numbers for each class. For a more accurate list of courses offered each year visit the Montgomery College website "Course Descriptions".

## SAMPLE COURSE OFFERINGS ARE:

BSAD 101 Introduction to Business
BSAD 111 Personal Finance
COMM 108 Intro to Human Communication
CMSC 246 Introduction to SQL Using Oracle
CMSC 222 Visual Programming
PHIL 201 Morality \& Contemporary Law
PSYC 203 Human Growth \& Dev. (AP score 4 \& up)
SOCY 100 Intro to Sociology
MUSIC 117 World Music
MATH 282 Differential Equations
Engineering Courses
CCJS Criminal Justice Courses
Education Courses
Nursing Courses
Economics Courses
Automotive Courses

MGMT 211 Introduction to Marketing BIOLOGY Courses
CMSC 253 Unix/Linux System Administration
CHEM 150 - Essentials of Organic and Biochemistry
CMSC 260 Computer Security
POLI 203 International Relations
PSYC 221 Intro to Abnormal PSYC. (AP score 4 \& up)
SOCY 105 Social Problems and Issues
MATH 280 Multivariable Calculus CE-R
MATH 284 Linear Algebra
ACCT 221/ACCT 222 Accounting I / Accounting II
ART Courses
Hospitality Courses
Biology Courses
Foreign Language Courses
ANTH 201 Into to Sociocultural Anthro

ENGL 101 counts as ENGL 12 A/B HS Credit Visit Montgomery College Website for a MORE ACCURATE LIST OF COURSE OFFERINGS $\rightarrow$ "Search Class Schedules"

## How can I enroll in the program?

All students interested in participating in "DE" program must speak with Mr. Oliver

Contact Info:
Mr. Sheldon Oliver Dual Enrollment Coordinator sheldon_oliver@mcpsmd.org Counseling Suite Rm 103 D

Please print legibly and in PEN in order for your information to be entered correctly, along with the Student Course Registration, begins the formal application process for acceptance into Dual Enrollment out of school. This Completed application does not guarantee acceptance into dual enrollment or guarantee a parking permit. All areas must be completed and turned into Mr. Oliver directly or in his mailbox in the FRONT OFFICE by January 2020.

## The Education Academy

 Education AcademyContact: Mrs. Rebecca O’Neill Phone \# (240) 740-1531 Email: Rebecca_L_O’Neill@mcpsmd.org

The Education Academy at Wootton is a comprehensive career program focused on encouraging high school students to consider careers in education, introduce them to the rewards and challenges of the profession, and to support them in pursuit of post-secondary education.

Child and Adolescent Development is the foundation level course in the Education Academy. After a training period, students become part of a team of teachers responsible for the day-to-day workings of a lab school. Students will have direct interaction with 4 -year-olds. Topics covered in the courses include creative and developmentally appropriate lessons and the skill of observing the growth and development of the children Students can continue to the Advanced Level Child and Adolescent Development 2 course. Students will become reflective practitioners using research-based methods of teaching and working with children. Students will continue to develop age appropriate learning experiences for preschoolers while they assume increased responsibilities for program management.

Upon successful completion of Child Development $1 A / 1 B$, and Advanced Level Child Development $2 A / 2 B$ students may submit their portfolio to be eligible to receive the Maryland State 90+9 Clock Hours Certification.

Guided Research in Education, Training and Child Studies is the third course students can take in the Education Academy. Students will continue to work in the lab school. Students will compete a structured research project to advance their knowledge and skills in career areas related to this cluster.

Education Internship students have the opportunity to intern in grades pre-k through grade 12 in Wootton feeder schools and private schools for 2-3 periods each day. This internship is an Advanced Level Course. Seminars are held on a regular schedule to supplement their learning and understanding of professionalism, curriculum and lesson planning, and classroom behavior and management techniques. Interns develop professional portfolios based on the INTASC standards used in college teacher education programs.

For the Education Academy Pathway Program Completer, students must receive four credits within the Education Academy. 2 credits of Child Development. 1 credit of Education Internship. 1 credit of Guided Research or an Advanced Education Duel Enrollment course. Details below.

# Humanities \& Arts Signature Program <br> "Curiosity is one of the permanent and certain characteristics of a vigorous mind." ~Samuel Johnson 

## What is the Humanities and Arts Signature Program?

This is a four-year program of focused study for students who are passionate about humanities and/or arts. Students choose a humanities or arts focus during their sophomore year.

## What are the humanities?

The humanities encompass the branches of learning that help us understand our culture and that of others. They encompass English, history and other social studies, foreign language and culture, philosophy and religion, law, film, morality. The humanities help us learn how to think, not what to think.

## What are the arts?

The fine arts - dance, music, theatre, and visual arts represent a form of thinking and a way of knowing that is based on human imagination and judgment. They actively involve learners as creators, organizers, observers, and evaluators.

## What are the major components of the H\&A Program?

- First, students take a set of required courses including enriched, cohorted sections of English and Social Studies.
- Students choose their specific program focus through their selection of their electives.
- Second, students must complete an off-campus experience, which include a study abroad, a university program, or an internship. Arts focus students may also use non-school affiliated art/performance program for this requirement.
- Finally, all signature students must take and pass the AP Seminar and AP Research courses.

## How can I become part of the signature program?

Students generally enroll in the winter of grade 8 to participate in the program. On a space-available basis, students may enroll in grade 9 or 10. The prerequisite of applying is that students must have earned an A or B in both English and Social Studies during the first semester of $8^{\text {th }}$ grade. Application forms are available online on the H\&A page of the Wootton website. You will be formally notified of acceptance in the program.

What are the certificates granted for program completion? Certificate of Achievement in the Humanities and Arts Recipients complete their course of studies with a 2.5 unweighted average in humanities and arts courses, and at least 1 AP course in the humanities or arts (in addition to AP Seminar/Research).

## Scholar in the Humanities and Arts

Recipients complete their course of studies with a 3.5 unweighted average in humanities and arts courses. They also complete at least 3 AP courses in the humanities and arts and 1 additional course in the humanities and arts that is either an AP course, a college course, or the highest level course in an arts sequence (in addition to AP Seminar/Research).
Note: To be eligible for the AP Capstone diploma, students must take a minimum of 4 AP courses and pass each AP exam, in addition to AP Seminar and AP Research.

## Meritorious Scholar in the Humanities and Arts

Same requirements as Scholar, with these additions: 3.7 unweighted GPA in all humanities and arts courses AND a five (5) on the AP Seminar Exam.

More information about the program is available from the Program Coordinator.

College/Career Research \& Development (A/B) - 8092/8093
This class provides students with instruction on Maryland's Career Development Model and includes self-awareness, career awareness, and career exploration. Students taking this course take a variety of career and interest surveys, research careers and begin to develop a portfolio demonstrating workplace and academic readiness. Prerequisite for CCRD B is CCRD A.

## College/Career Seminar (A/B) - 8065/8066

This course continues self-awareness, career awareness, and the career exploration process. However, this course is more focused on career research, career preparation and transition. Students will learn skills need for: effective career planning, decision making, goal setting, financial literacy, and transition planning. Students in this course will learn how to effectively plan for their future incorporating both employment, education and training goals, build financial literacy skills, and integrate the Maryland Skills for Success as they begin to manage their career choices and educational choices.
Prerequisite - CCRD (A/B). This course is required to be taken concurrently with Site-Based Work Experience during the senior year.
Personal Finance - 4158
This course is based on the Take Charge Today curriculum, which prepares students for successful management of their personal finances. It is a course that addresses the knowledge, skills, attitudes, and behaviors associated with the management of family economics and financial education. Throughout this course, Students will learn how to: analyze needs versus wants, set financial goals, manage cash, credit and bank accounts, examine the time value of money and savings, and develop a personal spending plan.

## Technology Education Department

## ALL COURSES ARE ELIGIBLE FOR TECHNOLOGY CREDIT

| COURSE TITLE | GR | SEM | CODE | PREREQUISITE | COURSE ASSIGNMENTS/DETAILS |
| :--- | :---: | :---: | :---: | :--- | :--- |
| Foundations of Computer <br> Science (FOCS) A (T) | $9-12$ | 1 | 2916 | None | Focuses on the conceptual ideas of <br> computing so students understand why <br> tools and languages are used to solve |
| Foundations of Computer <br> Science (FOCS) B (T) | $9-12$ | 2 | 2917 | Foundations of <br> Computer Science <br> aroblems through a study of human <br> Aomputer interaction, problem solving, <br> web design, programming, data analysis, <br> and robotics |  |
| AP Computer Science Principles <br> A (T) | $9-12$ | 1 | 2918 | Hon Geometry A/B <br> Prerequisite or <br> concurrent <br> enrollment | Explores big ideas of Comp. Sci. and <br> problem solving using programming. No <br> previous Computer Science needed. |
| AP Computer Science Principles <br> B (T) | $9-12$ | 2 | 2919 | AP Computer <br> Science A |  |

## Television Production

| COURSE TITLE | GR | SEM | CODE | PREREQUISITE | COURSE ASSIGNMENTS/DETAILS |
| :---: | :---: | :---: | :---: | :---: | :---: |
| TV Production 1 (Internship)* TV Production 2 (Internship)* | $9-12$ $9-12$ | 1 2 | 7860 7862 | None TV Production A | Long-term assignment; assist with TV studio operations. |
| Morning Announcements A (Applied Educ. Leadership A) ** <br> Morning Announcements B (Applied Educ. Leadership B)** | $10-12$ $10-12$ | 1 2 | 810230 810330 | TV Coordinator <br> Approval \& 1 <br> semester of TV <br> Production | Rotating assignments with studio equipment |
| *TV PRODUCTION: This course introduces students to all aspects of television production, with an emphasis on providing service to the Wootton community. Students will become proficient in the use of Wootton's audio-visual and television equipment in the production of both live and videotaped television productions. Students will learn basic editing and videotaping procedures and will have practical experience with all television studio equipment. In addition to television, students will also have extensive opportunities to gain experience in operating audio-visual equipment in support of various Wootton programs such as assemblies, setting up for guest speakers, etc. Interns will occasionally be assigned written work, such as storyboards and script-writing, in order to contribute to the development of projects. <br> ** MORNING ANNOUNCEMENTS A \& B (Applied Educational Leadership A/B): This course builds on competencies gained in the TV Production class. Activities center on the daily production of a live television broadcast. Students will be provided with extensive opportunities to operate all television studio equipment and will perform a variety of roles in support of the Morning Announcements program. |  |  |  |  |  |

## Theatre

ALL COURSES MEET FINE ARTS REQUIREMENT

| COURSE TITLE | GR | SEM | CODE | PREREQUISITE | COURSE ASSIGNMENTS/DETAILS |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Theatre 1A <br> Theatre 1B | $\begin{aligned} & 9-12 \\ & 9-12 \end{aligned}$ | 1 2 | $\begin{aligned} & 6926 \\ & 6927 \end{aligned}$ | None | Students gain an understanding of the entire process through which human behavior is translated into a written drama, produced as a play, and presented to any audience. The study of theatre aesthetics, history, and criticism is balance with workshop training in acting and basic Theatre production skills. This course is the prerequisite for all other high school Theatre courses. |
| Theatre 2A (AL) Theatre 2B (AL) | 10-12 <br> 10-12 | $\begin{aligned} & 1 \\ & 2 \end{aligned}$ | 6928 6929 | Theatre 1 <br> Theatre 2A | Knowledge and skills learned in Theatre 1 are applied to production and performance. Students study script analysis, character development, performance skills and processes, and beginning technical production skills. Studying the aesthetics and history of the Theatre, reading plays, and attending plays provide a balanced framework for application of Theatre criticism. Writing and thinking skills are reinforced through journaling. Careers in acting and technical Theatre are discussed. |
| Production \& Performance A <br> Production \& Performance B | $\begin{aligned} & 10-12 \\ & 10-12 \end{aligned}$ | 1 2 | $\begin{gathered} 6993 \\ 6994 \end{gathered}$ | Theatre 2B or teacher permission <br> Production \& Performance A | Students develop the practical and artistic considerations of producing script-based projects for theatre, film, radio, and television. Script writing, script analysis, auditioning, casting, rehearsing, and staging are explored. Students work as directors, writers, actors, and crew members, and use collaboration and problemsolving skills for production projects, resulting in the fall play. Students who want to be in the fall play must take this class. |

## |NTERNSHIP <br> OPPORTUNITIES <br>  <br> Thomas Edison <br> SCHOOL OF <br> Technology

## Internship Overview

## What is an internship?

"Internship" is a MCPS course designed as a career-focused program in research, business, education, law, government, technology, medicine, or social services. Students have opportunities to explore and clarify personal career interests and link school to work. Internships enable students to

- recognize how personal skills and talents fit into a career environment
- form accurate perspectives of what skills and education are needed to be successfully employed and get promoted
- apply academic learning to practical situations and bring new perspectives back to the classroom
- develop effective interpersonal skills for the workplace

## When can students take internships?

Internships are available during both semesters and are usually taken during the student's senior year. In special cases juniors may be allowed to take an internship. Internships can be scheduled for triple, double and single periods depending on the specific program.

## What should students consider when planning for an internship?

Students and parents should consider the following questions.

- How many periods can I devote to an internship?
- What extracurricular activities might conflict with my internship schedule?
- Can I maintain an excellent attendance record at school and the workplace?
- Am I expecting to work hard and demonstrate a willingness to learn new skills?
- Am I self-disciplined enough to meet project deadlines, complete paperwork, follow procedures, communicate with the intern coordinator, and attend scheduled meetings?
- Can I provide my own transportation or use public transportation to commute to my internship site? Most internships are not paid; interns must assume the expense of commuting. Parking spaces are NOT guaranteed. The assignment of parking spaces will give preference to carpools and completed application.

## What are the internship course requirements?

Interns will be evaluated by the coordinator using a variety of instruments. The course grade is based on the following: coordinator site visit, completed intern assignments, the number of hours completed at the workplace, evaluation by mentor/site supervisor, intern produced reports, portfolios, and oral presentations. All interns must attend orientation seminars at the beginning of each semester and periodically throughout the semester.

## How many hours at the site are required (Out of Building Internships)?

To satisfy MCPS requirements and receive course credit for an internship, the student must commit to scheduled weekly hours during the school day throughout the semester. For each period registered for internship, the student must complete a minimum of 75 hours per semester at the site. For a double period internship students need approximately 75 hours per quarter to meet the 150 semester hour requirement. Time spent commuting to and from the site is not included. Attendance is recorded at school and at the work site. Interns are also responsible for maintaining a weekly log signed by the site supervisor. Logs are to be submitted weekly to the coordinator.

## Internship Overview (cont.)

## What is expected of an intern?

Interns will be working in a professional setting and are expected to act professionally. The intern is expected to be punctual, to work hard, to act responsibly, to maintain confidentiality, and to dress appropriately throughout the internship experience. When determining an internship program, a prospective intern needs to evaluate his/her strengths and talents, interests and goals that can be offered to a prospective mentor through a professional resume. Placement procedures vary for each internship program. Students must clarify with the coordinator the established policies and procedures before any search begins. Final approval of the site rests with the intern coordinator.

## What must be considered about the site (Out of the Building Internships)?

The following must be considered when searching for an appropriate internship site:

- Work permits are required for interns under 18 years old.
- Some sites require interns to be American citizens and/or over 16 years old
- The intern must be supervised by an adult at all times.
- The site must have at least two adult employees.
- The site cannot be located in a private home and must be a safe work environment.
- Interns may NOT routinely drive as part of the job, open or close the business without adult supervision, transport money, perform work that requires strenuous lifting, work in or around motor vehicles or with heavy equipment.
- Internships may NOT be primarily clerical type duties.

## How Can I Apply?

Attend the Internship Information Session prior to registration. This will be held during the lunch period on December 19, 2019 in the auditorium.

- Select an Internship Program
- Complete the out-of-school internship interest form and return it to the appropriate coordinator by January 3, 2020.
- When contacted by the coordinator, complete the program-specific application and submit it to the intern coordinator.
- Once the application is submitted and approved, the intern coordinator will sign your course registration card.

What if I have more questions? Contact the specific program coordinators.

## THOMAS S. WOOTTON HIGH SCHOOL OUT-OF-SCHOOL INTERNSHIP INTEREST FORM

This Interest Form, along with the Student Course Registration, begins the formal application process for acceptance into an Out-ofSchool Internship. This completed application does not guarantee acceptance into an out-of-school internship position or guarantee a parking permit (seniors only). Please make sure to print legibly_and complete all requested information. All areas must be completed and turned into the mailbox of the appropriate Internship Coordinator by January 3, 2020.

## STUDENT INFORMATION (PLEASE PRINT NEATLY)

| Internship Applied For: | _Business/Law/Technology Intern | __Education Intern |
| :---: | :--- | :--- |
|  | $\ldots$ Psychology Intern | __Science Intern |

## INTERNSHIP AREA OF INTEREST

Please list an Internship field/subject you are interested in pursuing. (Examples: Elementary Education, Marketing, etc.)

## DISCLAIMER AND SIGNATURE

I understand that to be considered for the internship program:

- I am to have a minimum GPA of a 2.5 for the first semester of my junior year. (Strongly recommended)
- I understand that I must be in good standing regarding school attendance and behavior.
- If I haven't secured an internship position by the end of the $2^{\text {nd }}$ week of school I may be dropped from the internship class.

I certify that my answers are true and complete to the best of my knowledge.
If this application leads to program acceptance or employment, I understand that false or misleading information in my application or interview may result in my release.

## Applied Educational Leadership (In-School Internships)

The Applied Educational Leadership (AEL) course is newly created and designed for students who are on track to graduate on or ahead of time. Students are approved and assigned to work with school staff to build and apply skills in communication, organization, collaboration, and leadership through service and work-based experiences while supporting peers and school-based staff. Under the direction of the approved staff member, students will keep a daily log/journal, write weekly reflections, and submit/present a final report at the end of the semester. The AEL course is an in-school leadership experience and allows students to earn 0.5 elective course credit or 5 Student Service Learning (SSL) hours. If you are interested in taking the course for SSL hours, see your counselor.

| *TV PRODUCTION 1 \& 2 (INTERNSHIP) This internship introduces students to all aspects of television production, with an emphasis on providing service to the Wootton community. Students will become proficient in the use of Wootton's audio-visual and television equipment in the production of both live and videotaped television productions. Students will learn basic editing and videotaping procedures and will have practical experience with all television studio equipment. In addition to television, students will also have extensive opportunities to gain experience in operating audio-visual equipment in support of various Wootton programs such as assemblies, setting up for guest speakers, etc. Interns will occasionally be assigned written work, such as storyboards and script-writing, in order to contribute to the development of projects. <br> ** MORNING ANNOUNCEMENTS A \& B (APPLIED EDUCATIONAL LEADERSHIP A/B) <br> This course builds on competencies gained in the TV Internship classes. Activities center on the daily production of a live television broadcast. Students will be provided with extensive opportunities to operate all television studio equipment and will perform a variety of roles in support of the Morning Announcements program. |  |  |  |  |  |

## Thomas Edison School of Technology

Experience Success through hands on learning for college future careers life.

Thomas Edison High School of Technology is unique among Montgomery County public high schools. Students enrolled in all MCPS comprehensive high schools may apply for enrollment in one of Edison's seventeen highly acclaimed career and technology education programs.

- Automotive Technology \& Dealership Training
- Auto Body Technology
- Foundations of Automotive Technology
- Carpentry
- Electricity
- HVAC
- Masonry
- Plumbing
- The Academy of Hospitality and Tourism
- Cosmetology
- The Academy of Health Professions
- Professional Restaurant Management/Culinary Arts
- Nail Technology

Students attend Edison every day for three class periods ( $21 / 2$ hours), earn $11 / 2$ credits per semester, and transportation is provided. In addition to offering valuable professional certifications and licenses, many programs are articulated with colleges and universities for college credit.

Over seventy percent of Edison students plan to attend colleges, universities, and technical schools. Many Edison graduates continue on their same career pathways and/or use their skills to help pay for college expenses. Edison is the perfect choice: students receive all the benefits offered at their comprehensive high schools as well as a valuable Edison capstone experience.

Students must apply to TEHST in order to enroll next fall. Please fill out the application by visiting
https://www.montgomeryschoolsmd.org/schools/edison/about/enroll.aspx. The application can be completed online and is sent directly to TESHT. Until a student is accepted into the TEHST program, Wootton High School will require students to sign up for seven (7) classes at Wootton. Please see your counselor if you have any questions regarding the Edison application process.

For more information and online application, visit http://www.montgomeryschoolsmd.org/schools/edison/ .

Students may elect to take the first year of a two-year program if they are not using the course as a program completer. All TEHST programs offer 1.5 credits per semester. Some courses have prerequisites. Most courses are career development completer programs, but not all (i.e. our Interior Design course is currently an elective). As a general rule, we do not enroll Grade 9 students. Grade 11 and 12 students have program placement priority, except for Cosmetology. Students must begin the Cosmetology course as a $10^{\text {th }}$ grader. In most other programs, Grade 10 students are typically considered if space is available in the course. Courses articulated with Montgomery College for college credit are in italic type. Advanced level courses marked with a "+."

# IF YOU ARE INTERESTED IN APPLYING TO EDISON, PLEASE SEE YOUR WOOTTON COUNSELOR! 

## The Spring Open House at Edison is March 12, 2020 from 6-8 p.m.

[^0]:    ${ }^{1}$ Substltute Test-Students earning qualifying scores on substitute tests (AP/IB) will meet the MCAP HSA requirement in that content area.
    ${ }^{2}$ Transfer Credit-Students transferring from outside MD public schools may be elligible to meet some MCAP HSA content-area requirements with transfer credit.
    ${ }^{3}$ Combined test score options are avallable for the HSAS and for the PARCC assessments.
    ${ }^{4}$ Bridge Plan-An altemative means of meeting the MCAP HSA graduation requitrement. With the Bridge Plan, students demonstrate content mastery by completing projects when they have difficulty passing the traditional test.

[^1]:    *Denotes that students must sit for the exam; however, passing score on exam is not required to pass the class.

[^2]:    * If taken before July 1, 2019.
