

What is the Honor Roll?

You are on the **Principal's Honor Roll** if you earn an "A" in every class.

You can still earn the regular Honor Roll if you earn all A's and B's with no more than one C. You must have at least one "A" if you have one "C" as your Grade Point Average (GPA) must be a 3.0.

Calculating My GPA (Grade Point Average)

Letter Grade Values: A = 4, B = 3, C = 2, D = 1, E = 0

GPA – Step 1: Assign a value to each of my report card grades.

GPA - Step 2: Add up the values of all my letter grades and write the total.

GPA - Step 3: Divide the total of the values by the number of classes with grades.

**GPA - Step 4: Round to the nearest tenth.
5 or higher, round UP to the next tenth.**

Example: $3.45555 = 3.5$

Sample of a student who earned the following class grades in 7 classes: A, A, B, D, E, C, B.

A = 4

A = 4

B = 3

D = 1

E = 0

C = 2

B = 3

$$4+4+3+1+0+2+3 = 17$$

$$17 \div 7 = 2.428 = \text{GPA } 2.4$$
