SSL (Student Service Learning)

I wanted to take a moment to introduce myself. My name is Carla Jurewicz. I am a special education teacher at North Bethesda Middle School (NBMS). During my duty day, my primary responsibilities include: case management, teaching a resource class, co-teaching English 6, and co-teaching Global Humanities 6. I am also the NBMS Student Service Learning (SSL) coordinator. SSL Coordinator is a stipend position therefore not part of my duty day. That being said my plans concerning SSL are the following:

- Until September 24, 2021-collect summer SSL Verification forms. Students may turn in a hard copy of the SSL Verification form to the Counseling Office or send it to me via email.
 - ★ Students should keep an electronic or hard copy of their SSL Verification form(s)
- I will be attending the SSL 2021-2022 school year training in September
 - Stay tuned for updates
- On September 25, 2021-I will begin processing completed SSL Verification forms
 - ★ Depending on the number of SSL Verification forms submitted it should take about two weeks for forms to be processed
- On September 25, 2021-I will begin returning hard copies of incomplete SSL Verification forms to students
 - ★ Forms need to be completely filled out in order to be processed
- By early October-I will announce that all completed SSL forms have been processed
 - ★ If there are any issues with SSL hours, etc... we have until November 4, 2021, to correct any issues

Thank you for your patience and understanding as I concentrate on transitioning the students on my caseload, the students in my classes, and their families to 6th grade! In the meantime, please read the => [SSL Information and FAQ flyer](#); hard copies are available in the Counseling Office, and your student should have received one in homeroom.
