

Helpful Tips for Incoming 6th Graders to Rocky Hill MS

Final Reminders about Summer Orientation and Wildcat Welcome

WOW! Can you believe it! Another school year is right around the corner and your child is starting middle school!!! It's an exciting time but can be scary at the same time. The 6th grade team is here to help you as parents (and students) navigate this new phase successfully. We are in this together! Our school motto is "GROWING STRONGER TOGETHER". This adolescent phase is full of challenges in so many ways and we are here as a community to help each other.

6th Grade Summer Orientation: Thursday, August 25th 8:15 am - 12:00 pm. Sixth grade students will have the opportunity to reconnect with friends, begin making new friends, meet the 6th grade team, practice lockers, and participate in a building tour. Transportation is provided by MCPS. Buses will run their regular routes. Bus routes can be found on the RH website under Quick Links (on the left) under Back to School Info. Students do not need to bring anything. Lunch is NOT served. <https://www2.montgomeryschoolsmd.org/schools/rockyhillms/news-index/2021/bus-routes-fy22/>

Wildcat Welcome: Thursday, August 25th 5:45 pm - 8:00 pm. Our Wildcat Welcome is an opportunity for ALL families (grades 6 - 8) to come and hear presentations from the grade level team leader, meet our new principal, join the PTA, pick up PE uniforms (if ordered), get help with ParentVUE or transportation and much more. The best part is that Kona Ice will be there!! Come enjoy a delicious snowball! Check out the attached flyer for more details: [Wildcat Welcome!](#)
