

ParentVUE Information

ParentVue is the new MCPS parent portal. ParentVue is the primary tool for parents to monitor their child's progress in real time. In addition, interim reports will be sent to parents this week through ParentVue.

By using ParentVue, you are able to do the following to support your child:

- Access your child's grades
- Access specific assignments in each course
- Monitor student attendance and academic progress
- Email your child's teachers

If you have not activated your ParentVue account and/or you would like more information about how to use your account, please view the information in this brief presentation by clicking on this link:

- [Parent Vue Slide Deck](#) - provides families with information about:
 - How parents create/activate a ParentVUE account
 - The types of information available in ParentVue
 - How to connect to myMCPS Classroom and other online resources in ParentVUE
 - Support guides for using ParentVUE
- **To login into ParentVUE visit md-mcps-psv.edupoint.com/**
- **If you need a new activation code, please email Laurie Abita-Gramatges at Laurie_A_Abita-Gramatges@mcpsmd.org**
- **Questions? Please call the dedicated ParentVUE question line at 240-740-7020**

Below are links to additional resources to support you with ParentVue.
