

2012-13 STUDENT FEE FORM

Explanation of Student Fees

As a whole-school initiative Rosa Parks has ordered **student planners** that are available for purchase. The planner is not graded or used as a hall pass, but it is used by teachers to help your child track his or her assignments and to let you know when assignments are due. While this is a voluntary purchase, we **strongly** believe a student planner is a valuable organizational tool to help you and your child monitor the completion of assigned tasks. If you do not want your child to purchase the school's planner, please provide a tool your child can use for the same purpose.

Rosa Parks Middle School provides **incentives** for all students throughout the year to exhibit positive behavior / good character. We also give incentives to encourage students to develop strong academic habits and skills that will benefit them in their classes and on the Maryland School Assessment. The activity fee supports the purchase of student incentives.

In addition to the student planner and activity fees, some students will be assessed fees for take-home or consumable items in their elective classes such as FACS (Family and Consumer Sciences), general music, computer applications, art and photography.

Please return this form with your payment so that we can maintain accurate records.

EXTRACURRICULAR ACTIVITY FEE REMITTANCE FORM

The Montgomery County Board of Education requires payment of an Extracurricular Activity (ECA) fee for your middle or high school student to participate in extracurricular activities for the 2012-2013 school year.

What is the ECA fee?

The \$30.00 annual fee supports adult-supervised extracurricular activities, such as sports and clubs, for middle and high school students. Students who pay the fee are entitled to participate in one or more programs during the year. Although the Board of Education strongly believes students benefit from participation in after school activities, these activities are voluntary.

Who pays the ECA fee?

All middle and high school students who voluntarily participate in sports or clubs pay the ECA fee. Check with your school administration to determine what other activities require the ECA fee.

NOTE: Students may try out for sports teams before paying the fee. However, once they have been selected for a team or activity, the fee must be paid or the selection will be revoked. Paying the fee does not guarantee that a student will be selected for a team or activity, nor does it supersede academic eligibility requirements.

Who is exempt from the ECA fee?

Students who do not participate in extracurricular activities do not pay the fee. Students who take a course that requires participation in an extracurricular activity, such as a concert performance as a class requirement, do not pay the fee. Check with your school administration if you are unsure if an activity is exempt from the fee.

Am I eligible to pay a reduced ECA fee?

You may be eligible to pay a reduced fee of \$15.00 if your gross family income is less than \$35,000. If you are eligible to pay a reduced fee, you **must** send written proof of income with your payment, such as a recent tax form, current pay statement, or letter from a family assistance agency. MCPS will NOT accept reduced fees without documentation. Do not send original documents, as we do not return them.
