About:

Sligo Middle School is an exciting place of learning where students, staff and parents work together in mutual respect so that we may achieve our personal best both academically and socially.

Mission:

Sligo Middle School will increase the rigor and variety of its educational programs to provide every student academic and social opportunities to become skilled, productive members of a global society.

Vision Statement:

Sligo Middle School is a professional learning community that seeks to increase achievement and learning through rigorous instruction for all students, eliminate the achievement gap, and maintain a positive, safe and supportive learning environment.

Core Values:

- * Every child can learn and succeed at high levels
- * Every teacher cares about their students' well-being and educational success
- * Every individual in the building is respected
- * Sligo Middle School is a safe place for learning to occur
