MEMORANDUM

To: Members of the Board of Education

From: Jack R. Smith, Superintendent of Schools

Subject: Naval Junior Reserve Officer Training Corps Program Data

Question:

Ms. Jeanette E. Dixon requested a written update on the NJROTC Programs at our 5 high schools that have the program:

- Gaithersburg
- Kennedy
- Magruder
- Paint Branch
- Seneca Valley

Ms. Dixon would like to know the following about each unit/program and indicated that this could be done in chart form for comparison purposes:

- When the unit was begun at the school (year)?
- How many students are currently enrolled in each unit?
- Are there students from other high schools who are enrolled in it?
- What was their rating from the armed services branch during their last inspection?
- Are they involved in service projects?
- Have the cadets done any field trips this year including color guard presentations?
- What supports does the unit get from counselors and administration?
- Awards, scholarships, appointments to service academies, military enrollment.
- Demographic information including race and gender.
- How much financial support does the unit get from the school? MCPS? Military?
- Any other comments?

Response

Naval Junior Reserve Officer Training Corp Program data are included in the attached spreadsheet. Please note that some data will not be available until the end of the 2018–2019 school year.

If you have questions, please contact Dr. Maria V. Navarro, chief academic officer, at 240-740-3040.

* The unsatisfactory grade in the Area Manager’s Inspection was due to instructors not using the Turning Point Cloud to its full capacity. Polling devices, when used with the curriculum power point presentations, record (document) lesson completion. A plan of action has been submitted to NJROTC Headquarters in Pensacola, Florida and a copy of the plan provided to the Paint Branch High School principal. Milestones reflecting that this deficiency has been remediated is to be submitted to NJROTC Headquarters no later than October 31, 2019.
