

Naviance Scope and Sequence Montgomery County Public Schools

District Goals

- Ensure all students are prepared for success upon high school graduation by demonstrating readiness for postsecondary study and/or the workforce. Help students identify personal skills, interest, and abilities, and relate them to current career choice and course selections.
- Increase students' awareness on the financial aid options available for higher education.
- Help students make constructive and healthy decisions that promote hope, personal well-being, and social behavior.
- Help students develop annual SMART goals to build their resilience, perseverance, growth mindset, and maximize academic ability and achievement.
- Empower students to take ownership of learning.

Focus Area	Goals/KPIs	SY '17-'18 (achieved)	SY '18-'19	SY '19-'20
Academic Excellence	85% of seniors will submit one or more college applications	79% of seniors have applied to at least one college.		
	100% of seniors have identified a postsecondary plan (2-year, 4-year, career, military)	72% of seniors have an identified postsecondary plan		
	60% of students have explored and applied to at least one scholarship opportunity	33% of seniors applied for scholarships (48% based on MSDE report)		
	85% of students have identified careers and career clusters of interest (collected from students saving careers & clusters to their Favorites List) (focus for grades 6-10)	35% of students have identified at least one career cluster of interest, and 20% of students have identified at least one career of interest.		
	10% <i>increase</i> in parents who logged in at least once	8% of parents logged in at least once		
Creative Problem Solving	80% of students have logged in at least 3 times	56% of students have logged in at least three times		
	70% of students who completed tasks that align with college and career readiness	48% of students have completed the assigned scope & sequence activities		
	100% of students in grades 8-11 have created a course plan	83% of students in grades 8 - 11 have created a course plan		
Social Emotional Learning	85% of students who discover their strengths via StrengthsExplorer (this is an assigned task for 7 th grade)	76% of 7 th grade students have completed the StrengthsExplorer assessment and discovered their top three strengths.		
	65% of students will set goals (currently, a goal setting activity is part of the scope & sequence for Grades 6-8, Grade 11-12)	53% of students have set a goal.		

Grade 6
