

Recognizing and Reporting Child Abuse and Neglect Volunteer Frequently Asked Questions – FY21

Montgomery County Public Schools (MCPS) values the volunteers who work in our schools to enrich our students' experiences. As a community, we are mindful of our shared responsibility to create safe, nurturing environments for our students. These answers to frequently asked questions (FAQs) serve to clarify volunteer training and background check requirements.

Visitor Management System:

Question	Answer
Q1: What should visitors, including volunteers, do when they arrive at schools?	A1: During designated school hours, all visitors, including volunteers, must sign in to schools using the MCPS Visitor Management System (VMS).
Q2: What is the Visitor Management System (VMS)?	A2: The VMS scans the visitor's driver's license or state-issued identification card against the state sex offender registry. The VMS also produces a nametag that should be worn at all times while in the school building.

Volunteer Training Requirements:

Question	Answer
Q3: Do volunteers need to be trained in <i>Recognizing and Reporting Child Abuse and Neglect for Volunteers and Contractors</i>?	A3: Yes. All volunteers who regularly support schools and students and those who attend field trips must complete the online module, <i>Recognizing and Reporting Child Abuse and Neglect</i> training for volunteers and contractors. This training requirement also applies to volunteers who regularly support school-sponsored activities.
Q4: How do I access this training?	A4: The training is available online on the Child Abuse and Neglect webpage HERE .
Q5: Does everyone who provides support for schools need to complete the training requirements?	A5: While we encourage all community members to engage in this important, informative training, currently we only require individuals who regularly support schools to complete the Child Abuse and Neglect training. However, this requirement does not apply to individuals who support at large events or those who assist at one-time events under supervision of school staff members. The following are examples of the types of activities that do not require completion of the volunteer training (not an exhaustive list): <ul style="list-style-type: none"> • Guest readers and speakers in classrooms where they will be supervised by a MCPS employee, • High school/college recruiters and volunteers at job and college fairs, • Parent/Guardians or other relatives who are observing or supporting a celebration (e.g., a parade) or helping with a class party, and • Parent/Guardians staffing concessions and ticket booths at large events
Q6: When will the volunteer training be available?	A6: The training is available online on the Child Abuse and Neglect webpage HERE .

Q7: If I already completed MCPS training in the 2017-2018, 2018-2019, 2019-2020 school year, do I have to do so again in the 2020-2021 school year?

A7: If MCPS records reflect that an individual completed MCPS training offered last year, the individual does not have to undergo additional training in the 2020-2021 school year. The training is required every three years. If volunteer training was taken in:

- 2017-2018 renew in 2020-2021
- 2018-2019 renew in 2021-2022
- 2019-2020 renew in 2022-2023

Q8: Do all volunteers have to complete the training module online?

A8: All volunteers are required to complete the training online on the Child Abuse and Neglect webpage [HERE](#) in order to receive electronic confirmation that this requirement has been completed.

If a volunteer **has already completed the Child Abuse and Neglect training**, their name will populate in the myMCPS report titled Volunteer/Contractor Completion Report (under the compliance section).

If a volunteer **has not already completed the Child Abuse and Neglect training**, they will need an account to do so. Parents or guardians will use or create their account in the MCPS Parent Portal, while non-parents will create an account at this [link](#). This [resource](#) will help schools support parents/guardians in creating their MCPS Parent Portal accounts. Once they access their account, they will be able to complete the training and will have a record of their completion recorded in the training course. As of July 1, confirmation of Child Abuse and Neglect completion will be noted with a 100% in their course grades. Schools will access the report linked above but should volunteers need to share their grade completion with the school, they can access it at any time by returning to their training course. The advantage to this new process is twofold: volunteers will never lose their own completion data and since parents/guardians are using their MCPS Parent Portal accounts, they will be connected to their student so their completion information (for the Volunteer/Contractor Completion Report) will articulate with their students who may move schools for whatever reason. Due to this new reporting format, schools **will not** have the option of using the online module as a resource to provide individual or small group training sessions for their volunteers. Parents/guardians will not be barred from participation in their schools due to the need for accommodations. Schools may contact the Office of Student and Family Support and Engagement (OSFSE) at OSFSE@mcpsmd.org for input into the volunteer training database reports, as well as any special accommodation requests.

Q9: What if I require accommodations for disabilities to complete training?

A9: Principals and school staff should accommodate individuals within their schools as appropriate, in consultation with OSFSE, as needed. [see A8]

Q10: Will the online volunteer training be provided in multiples language?	A10: Yes. The online training is currently available in English, Spanish, Chinese, French, Korean, Amharic, and Vietnamese.
Q11: How will we know that volunteers have completed the training?	A11: As volunteers complete the training, participation is recorded and tracked by MCPS. Since the new process requires an account on the MCPS Parent Portal, confirmation of completion will be noted with a 100% in their course grades. Schools will access the report linked above but should volunteers need to share their grade completion with the school, they can access it at any time by returning to their training course.
Q12: Once volunteers have been trained, may they work with students?	A12: Yes. Volunteers may support the school the various ways the school has established.
Q13: Do parents/guardians who are eating lunch with their child need to complete the online training?	A13: No. Parents/guardians eating lunch in the cafeteria with their children are not considered regular volunteers and will be under the supervision of MCPS employees during this time.
Q14: Do parents/guardians need training if they are helping at dismissal or at recess?	A14: Yes. Parents/guardians who regularly work with students in school or during school sponsored activities must complete the online training prior to volunteer at school.
Q15: Do MCPS student-volunteers who are helping in schools have to complete the online volunteer training?	A15: No. MCPS student-volunteers who are helping in schools must be supervised at all times by an MCPS employee.
Q16: Do student teachers and interns need to complete the online volunteer training?	A16: Yes. Student teachers and interns are required to complete mandatory online Child Abuse and Neglect training found HERE .

However, the PTA/PTSA or ICB may have additional requirements for their contractors.
<p>Q22: Who informs potential volunteers that they have been approved or not approved?</p>	<p>A22: Potential volunteers will receive notification by mail of the State background results only. MCPS (OHRD) will conduct a case-by-case analysis and promptly follow-up with the potential volunteer regarding information about sexual offenses, child sexual abuse offenses, and crimes of violence, as well as any offenses involving distribution of drugs or other controlled substances.
