

## QUICK REFERENCE: Supporting Students with Gender Identity

Montgomery County Board of Education [Policy ACA, Nondiscrimination, Equity, and Cultural Proficiency](#), prohibits discrimination, stigmatization, and bullying based on gender identity, as well as sex, gender, gender expression, and sexual orientation, among other personal characteristics. It is critical that all MCPS staff members recognize and respect matters of gender

identity; make all reasonable accommodations in response to student requests regarding gender identity; and protect student privacy and confidentiality. To assist in these efforts, MCPS has developed [Guidelines for Student Gender Identity](#) to achieve these goals. These guidelines cannot anticipate every situation which might occur. Consequently, the needs of each student must be assessed on a case-by-case basis.

SAFE Spaces	Schools will designate specific offices or locations in the school that are deemed <b>Safe Zones</b> where any student, for whatever reason, may go to be free from judgment and to feel comfortable and safe. Schools also should ensure that the staff members who have Safe Zone placards on their doors have received the appropriate training regarding providing inclusive, affirming environments.
